A Message from the Supervisor

Dear Orangetown Resident:

As summer draws near, thoughts of vacation, day trips, family gatherings and other summer pastimes come to mind.

The Town of Orangetown Parks & Recreation offers a variety of activities ranging from a Day Camp Program, Open Playground, Mini-Sports Camp Program, Mad Science Camp, Youth Trips and Tennis & Golf Lessons. These programs enable the children to enjoy their summer while engaging in fun activities with their peers. Adults can enjoy swimming, aquarobics, kickboxing, hiking and tennis & golf lessons.

The Parks Department staff has been working to ready the Parks and facilities for the great usage by all. Whether it is golf, tennis, hiking, enjoyment of Summer Concert Series or visiting Veteran's Memorial Park for a trip to the playground or Family Movie Night, I would encourage you to utilize the varied facilities available to you in our many parks.

Seniors are entitled to reduced golf fees at Broadacres and Blue Hill Golf Courses with a permit. Senior citizen discount cards can be obtained in the Supervisor's Office.

We are blessed to have both the Blue Hill Golf Course and Broadacres right at our doorstep for all to enjoy and now with the automated tee times it makes it easier to set up your next round.

We hope you take advantage of the summer weather by participating in our programs and visiting our parks.

Sincerely,

Paul G. Whalen

Registration Policy

mail-in/walk in

Please take the time to read the information carefully so your registration is correctly processed. All mail in registration forms require payment in full in order to be processed.

Mail in registration must be postmarked May 26, 2010 or later. Mail received in this office postmarked prior to May 26, 2010 will be returned by mail to the registrant. Mail in registration only will continue until Thursday, June 3, 2010. (**ABSOLUTELY NO IN PERSON REGISTRATION WILL BE ACCEPTED DURING THIS TIME.**) Beginning Thursday, June 3, 2010, in person registration will be accepted, weekdays 9:30am - 4:30pm, along with continued mail-in registration, at the Office of Recreation and Parks, located at 81 Hunt Rd. in Orangeburg until the start of the program.

All registrants are advised that many programs have limited availability and registration is accepted on a first come first served basis. To better serve you, it is recommended that you return your completed registration form in a timely manner in accordance with the above mail-in policy. Phone calls will be made to all registrants with conflicts as soon as possible. *If you do not receive a phone call from this office your registration has been accepted.* Registration for closed classes will be kept on file, registrants will be notified, and payment returned.

Refund Policy: Refunds will be considered only for medical purposes upon presentation of a physician's certificate, except in cases where a program is canceled by the Office of Recreation and Parks. Credits will be issued only prior to the start of a program. Credits or refunds will not be considered after the start of the program. Cancellations less than 5 business days prior to the start of a program will be assessed a \$5.00 administrative fee.

Non-Resident Policy

1. Non-Resident registration will be accepted no earlier than 5 business days prior to the start of a program, provided there is availability.
2. Non-Residents will be admitted on a restricted basis and only after Orangetown Residents have had sufficient time to register.
3. Not all programs allow for Non-Resident participation.
4. Non-Residents are required to pay an additional 50% of the program fee.

Programs, dates and times are subject to change. All checks are made payable to the Town of Orangetown and must show an Orangetown Residence. Checks listing a Non-Orangetown address will not be accepted. When registering for youth and adult programs a separate check is required.

Refunds and or make-ups are not guaranteed for classes canceled due to inclement weather or school activities.

Program cancellations will be listed at www.cancellations.com and announced on WFAS (103.9FM) or WHUD (100.7FM) radio.

All programs held at the South Orangetown and Pearl River School District facilities will be canceled during vacation periods and school holidays. **School district programs will take precedence over regularly scheduled Orangetown Parks and Recreation programs.**

The Town of Orangetown, Orangeburg, New York, advises the public, employees and job applicants that it does not discriminate on the basis of handicapped status in admission or access to, or treatment or employment in, its programs and activities.

Orangetown Day Camp

A summer day camp program for boys and girls will be held at the German Masonic Picnic Grounds and the South Orangetown Middle School. **For children to be eligible they must have completed kindergarten and not be older than 13.** Children will be attending both sites and a maximum of 225 children per session will be accepted. The camp will be conducted Monday through Friday, 8:45 AM - 4:15 PM. Bus transportation will be provided from designated pickup points in the Pearl River, South Orangetown and South Nyack areas. Activities will include Arts & Crafts, Music & Drama, Films, Swimming, Softball, Soccer, and other various group games. In addition, Special Events will include Bowling, Theme Days as well as additional trips. Campers must provide their own lunch. Each camper will be provided a beverage at lunch time. All campers will be issued a camp t-shirt.

Please note that this program is for Orangetown residents only; non-residents will not be accepted. Refund Policy: Refunds will only be considered 15 business days prior to the start of a session. After that date no refunds will be considered.

Completed medical forms must be filed with the Town by June 8th. Children who do not have proper medical documentation will be held out of the daily activities until such a time as the proper forms have been completed and filed. This is a Rockland County Health Department regulation.

If bus pickup is required, please note pickup location on registration form. Bus locations are as follows: • Pearl River High School • Nauraushaun Elementary • Sparkill Fire Department • St. Margaret's School • Tappan Zee High School • W.O.Schaefer School • South Orangetown Middle School • South Nyack Village Hall on Broadway.

MAD SCIENCE SUMMER 2010 CAMP TOPICS

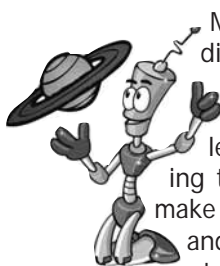

NATURE

Explore the natural world and the adaptations that allow birds and beasts to thrive. A new and different fun take-home project each day. Make plaster casts of animal tracks. Tie-dye t-shirts with vegetable dyes. Build a bird feeder and mix your own seed blend to attract specific bird species. Make recycled paper and test for acid rain. Construct a bug house for observing insects. Study the feeding habits of owls and dissect the remains of their lunch. Learn about geology by growing your own crystal garden and breaking open your own geode. Campers will even open oysters while searching for genuine pearls.

Appropriate for students who have completed grades K - 4

NASA JOURNEY INTO OUTER SPACE

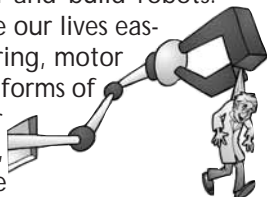

Material developed by Mad Science and NASA. Take a voyage of discovery into the atmosphere and beyond. Explore planets, moons, and other space phenomena in our solar system. Examine the sun and other stars. Discover the difficulties of space travel, the challenges of living in space, and try assembling a satellite while training to be an astronaut. Learn about the various technologies that make space exploration possible while bouncing lasers around the room, and take home an LED UFO. Build your own Mad Science model rocket, and launch several with the group. Campers will have lots of projects to make and to take home including a Kepler's Cube solar system puzzle, a Cosmic Chronometer, a Shuttle Copter, and a Catch-a-Comet.

Appropriate for students who have completed grades 1 - 4

RED HOT ROBOTS CAMP

Explore the basic and complex technology used to design and build robots. Discover how machines and robots work and how they make our lives easier. Learn about simple machines, gear structure, battery wiring, motor principles, and electronic circuits. Experiment with different forms of locomotion. Build your very own robot and several other take-home projects, including a catapult, a "mega pincher", and a "Technicolor blender". Separate sessions will be offered for different age groups.

Appropriate for students who have completed grades 1 - 4

SECRET AGENT LAB

15 hours of, fun-filled, hands-on, secret agent themed science activities featuring 10 take-home projects! The five daily themes are Discover Detection, Funky Forensics, Science of Security, Sleuths on the Scene, and Spy Academy. During the week the agents put everything they have learned to the test. They will code and decode messages, use spy equipment on a surveillance shift, collect and ana-

lyze evidence, explore the science of tracking, practice facial reconstruction, and many other activities that are so top secret they cannot be described publicly! Take home projects include an ultraviolet Fingerprint Finder kit, Spyglasses that let you secretly watch people who are behind you, Spy-noculars, a Secret Code Breaker, and an Inspecti-kit for evidence collection.

Appropriate for students who have completed grades 1 - 5

CRAZY CHEMWORKS

This action-packed camp explores the chemistry of everyday life! With spectacular hands-on activities and stunning demonstrations, kids will both learn and apply the concepts, tools and techniques of real chemists! Campers will start by learning real lab techniques and safety procedures, and then use these throughout the week to mix crazy concoctions and chemical combos. They will experiment with super-sticky-stuff, explore glow-in-the-dark technology, mix potions, make slime, and grow crystals! Each camper will take home a full set of Mad Science lab gear that includes a graduated cylinder, a beaker, a flask, an experiment tube, pH paper, a thermo-color cup, a black-light writer, and more!

Appropriate for students who have completed grades 1 - 4

SCIENCE MYSTERIES & FANTASTIC FORCES

Investigate several topics each day with cool take-home projects. Kids will be engineers, chemists, and stunt pilots! Children will have fun with physics and learn the science behind magic tricks. Your Mad Scientists will be shocked by what they learn about electricity... blown away by their experiments with air pressure... and swept away by the excitement of working with waves! They will learn about simple machines and build a propeller-powered car. Campers will make and take home their own crystal garden, a center-of-gravity game, a "magic" box which make objects disappear, a "Skyhawk" foam plane, an "Air Blaster" foam rocket launcher, a bridge building kit, a Cartesian diver, a "Drag Racer" car, and their own batch of ooey, gooey slime.

Appropriate for students who have completed grades K - 4

JUNIOR EXPLORERS

Explore a different topic each day – Space, Machines, Science of Sports, Science of Toys, and Che-Mystery. Explore the solar system and build your own Mad Science Shuttle. Launch rockets. Mix and eat your own batch of space food. Learn about levers and build your own machines – including an air-powered Drag Racer. Use science to protect athletes from harm (actually...egg-letes). Play with cool toys and try to figure out how they work. Experiment with potions and mix your own batch of sidewalk chalk. Make your own slime. ...tons of fun indoor and outdoor activities.

Appropriate for children ages 4 & 6

POTTERY PAINTING CLASSES

Glaze, a paint your own pottery and art studio located in the Orangetown Shopping Center, is offering three pottery painting classes for children in first grade and older. Each session will focus on a different painting technique so your child can take all three classes and create three distinctive projects. Enrollment is limited. **Grades 1 and up**

Session I: Tie Dye Peace Vase **Friday, July 23: 11 am – 12:30 pm**

Your child will be the grooviest kid on the block with this Tie Dye Peace Sign Vase created using a marbled painting technique.

National Night Out/Orangetown SK8 Night Program

On Tuesday August 3rd, 2010 the Orangetown Police Department will participate in the National Night Out/Orangetown SK8 Night Program. The New York National Guard Counter Drug Task Force will assemble a portable skate park and rock climbing wall at Veterans Memorial Park.

Skateboarding is a fun, active, physically demanding and mentally challenging sport. Skateboarding is a sub-culture that is highly misunderstood. Skateboarding is often associated with the drug culture. The Orangetown Police Department believes that skateboarding is not a crime, but the participants need a positive, safe outlet for their skateboarding.

In addition to the SK8 Night activities there will be a child safety seat station at which anyone can have their child car seats checked for proper installation. The Rockland County Sheriff's Department will also be on hand to demonstrate the Seat Belt Convincer. There will be public safety informational booths, and demonstrations provided by Orangetown's volunteer fire departments and volunteer ambulance corps.

We encourage everyone to attend and bring children of all ages. There will be Hot Dogs, snacks and beverages available and young children will enjoy the large inflatable "bouncy" castles. The night will conclude with a fireworks display presented by Colonial Fireworks. Also enter your name for a chance to win one of several raffle prizes.

This event will be held from 4:00PM until 10:00PM on Tuesday, August 3rd, 2010. We encourage the entire community to come out for a night of education and entertainment.

ORANGETOWN SHADE TREE PROGRAM

The Town of Orangetown Shade Tree Commission is currently accepting applications for the 2010 Street tree planting program within the unincorporated portion of the Town. The goal of the program is to replenish and enhance the street trees within the Town of Orangetown to contribute to the beautification and "greening" of the community. The planting of shade trees is coordinated by the Shade Tree Commission, in concert with the Office of Parks and Recreation. If the site is approved, shade trees are planted on the property, just off the road right-of-way. Plantings are done by a professional landscaper under contract to the Town. The planting is done at no cost to the homeowner, however, the responsibility to maintain the tree once planted is the property owners. Tree species is determined by qualified staff who evaluate existing conditions, proximity to overhead utilities and native species in the area and recommend a site location and appropriate tree type for review and acceptance.

If you are interested in participating in this program, please fill out the application form and forward it to the Shade Tree Commission, c/o Office of Parks and Recreation, 81 Hunt Road, Orangeburg, NY 10962. You will be contacted by a Town representative who will further evaluate your property for this program. All street trees are 2-2^{1/2} inches caliper and are nursery grown. Applications will be accepted until Friday, May 28, and plantings will occur in the Fall of 2010 on those properties which qualify. For additional information and to obtain an application, contact the Recreation office at 359-6503 or download a form at www.orangetown.com.

GOLF PERMITS

Golf permits may be obtained Monday through Friday 10:00am to 4:00pm at the Parks and Recreation Office, 81 Hunt Rd., Orangeburg, N.Y. Three valid proofs of residency plus photo I.D. are required at the time of registration, and the applicant must appear in person. For more information, call the Office of Recreation and Parks. Permits are valid through the end of the 2010 golf season. **The 2010 permit card entitles you to resident privileges on Blue Hill Golf Course and Broadacres Golf Course.**

Fees: \$60.00 - Adults
\$50.00 - Senior Citizens
\$30.00 - Youth *2009 golf permit is not accepted as proof of residency.

The following two memberships are now available for Blue Hill and Broadacres Golf Courses:

The Associate Membership – is open to anyone who is not a resident of Orangetown and not entitled to a resident permit. Membership fee for Associate Permit is \$85.00 for the 2010 season. The Associate Membership will allow members to call five (5) days in advance for a tee time. This membership will allow members to play at an Associate's rate, which is discounted from the non-resident rate. The Associate Membership allows members to play at both Blue Hill and Broadacres Golf Course.

The Corporate Membership – is open to any corporation/business or non-resident property owner situated in the Town of Orangetown. Membership fee for the Corporate permit is \$150.00 for the 2010 season. Each membership will be

assigned a corporate identification number and will have one contact person who can call for tee times. Reservations may be made five (5) days in advance. Each corporation/business or non-resident property owner will be entitled to make two (2) foursome tee times per week. The Corporate Membership will allow golfers to play golf at either Blue Hill or Broadacres by paying a corporate rate which is discounted from the non-resident rate.
