2011 Final Green Waste Removal Schedule and Leaf Pickup Program

**To Report An Illicit Discharge, Please Call the
“Illicit Discharge Hotline” at 845-359-6502**

An illicit discharge is an unlawful act of disposing, dumping, spilling, emitting, or other discharge of any substance other than stormwater into the storm drain system; such as catch basins, yard inlet, or lakes and streams.

Dear Resident:

Water is our greatest natural resource. We take it for granted but it is essential to life. Many people do not think twice about throwing garbage out of their car window, or piling green waste and leaves on a storm drain. The general perception is that it will go down the “sewer” and get processed at the sewer treatment plant. However, these “sewers” are actually storm drains and they provide routes for rain water to flow away from the streets and prevent flooding. The storm drains lead directly into streams, rivers and lakes.

It is for this reason that the Orangetown Highway Department has developed its Clean Streets-Clean Streams Campaign. This slogan encompasses all of our efforts. It is the driving force behind our snow and ice control policy, our Green Waste Removal Schedule and our Fall Leaf Pick-Up Program.

The Highway Department has also established a **Green Team** which offers concerned residents an opportunity to help us in this matter. The following programs are some ways you may get involved:

Adopt-A-Road

Adopt-A-Spot

Litter Marshal

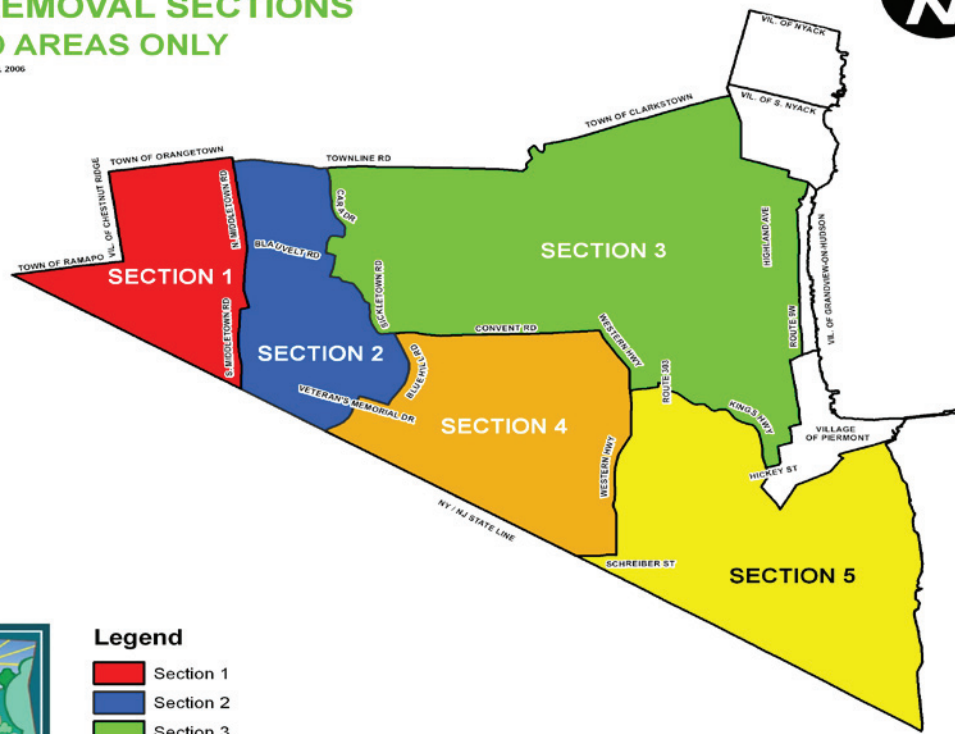

For Applications or more information on these or any other program, please call 359-6500 or visit us online at the Town’s website at www.orangetown.com

H = Holiday - Green Waste Schedule resumes on Tuesday

The **Town of Orangetown Highway Department** will begin its last scheduled pick-up of the **2011 Green Waste Removal Program**. The last pick-up in your section is scheduled for the week of

- Pick-up will begin on **Mondays** in each section.
- Leaves and yard debris must be separated and placed in biodegradable bags*.
- The Highway Department **Does Not Pick Up Grass**. You may bring your grass clippings to the **Drop-Off Center** located at 119 Route 303, Orangeburg, NY. **(Resident Permit Required)**.
- The Orangetown Highway Department, in conjunction with the Rockland County Solid Waste Authority, supplies biodegradable paper bags for Green Waste, Free of Charge! We request that you use these biodegradable bags in place of plastic bags. You may pick up the biodegradable bags at the Orangetown Highway Department Administration Office, **Monday through Friday, 7:00 A.M. to 4:00 P.M.** and Town Hall, during their normal working hours.
- This **Green Waste** material must be placed curbside in front of your property, NOT on the paved road surface.
- **Green Waste** material should be put out no sooner than five days prior to each scheduled pick-up date, and no later than 7:00 A.M. of the scheduled Monday morning.
- Once your street has been picked up, we will not be back until the **Green Waste Removal Program** resumes in **2012**.

Town of Orangetown Highway Department

2011 Fall Leaf Pick-Up Program

Town wide **Fall Leaf Pick-Up Program** begins on **Monday, October 31st, 2011.**
 Our curbside **Leaf Pick-Up Program** is for leaves only.

Brush, twigs, branches, logs and grass clippings may be taken to:

The Orangetown **“Drop Off Center”** **(Resident Permit Required)**

“DROP-OFF CENTER” HOURS OF OPERATION
 8:00 AM - 4:00 PM - WEEKDAYS
 8:00 AM - 3:30 PM - SATURDAYS (Summer Hrs)
 8:00 AM - 12:00 NOON (December thru April)

The Right Way

Complies with State Laws, Town Code and Guidelines. Provides safer roads by:

- Preventing slippery conditions
- Preventing narrow roadways
- Preventing runoff into drains
- Reducing risk of fire by vehicles parking over leaf piles
- Not hampering vacuum removal
- Avoiding leaves being plowed into driveways

The Wrong Way

Violates State Laws, Town Code and Guidelines. Creates Hazardous Road Conditions.

- Slippery Roads
- Encourages children to play in leaf piles in the street.
- Causes flooding by blocking drainage structures.
- Narrow Roads
- Pollutes streams and lakes
- Hampers snow/ice control and may cause piles to be plowed into driveways
- Sight Obstructions
- Causes litter, debris and organic materials to enter drainage system

Prepare leaves for curbside pick-up using the following Orangetown Highway Department guidelines:

- Pile leaves on your lawn within the first ten feet of your property.
- Do not pile leaves on the paved road surface... it's against Town Code And NYS Vehicle and Traffic Law.
- Place biodegradable paper bags curbside on your lawn. No Plastic Bags.
- One final pick-up will be held after the date of December 5, 2011.
- Highway Department does not pick up grass and thatch. However, grass and thatch may be brought to the Highway Department “Drop-Off Center.”
- All Green Waste materials collected become mulch and compost and are available, **Free of Charge**, to Orangetown residents at the “Drop Off Center.”

If you need assistance with the best way to put out material for your pick up, please give our office a call, we'll be happy to work with you. Thank you for your cooperation.

James J. Dean, Superintendent of Highways

School's Open - Please Drive Safely!

Please visit the Town website for information on the Town of Orangetown Neighborhood Traffic Calming Program.

2011 Fall Leaf and Green Waste Programs

Curbside Leaf Pickup Program

This pickup is for leaves only. Brush, twigs, Branches, logs and grass clippings may be taken to the 303 "Drop Off" Center... Please see

Green Waste Drop Off Program "B" >

Prepare leaves for curbside pickup using the following Orangetown Highway Department compliance guidelines:

- * Pile leaves on the lawn within the first ten feet of your property.
- * Do not pile leaves on the paved road surface...it's against Town code and the NYS Vehicle and Traffic Law."
- * Place biodegradable paper bags curbside on your lawn.
- * **No Plastic Bags.**
- * One final pickup will be held after the date of December 5th, 2011.
- * The Highway Department does not pick up grass and thatch. However, grass and thatch may be brought to the Highway Department "Drop Off Center"

Green Waste Drop Off Program

The Green Waste Removal Program will resume in the Spring of 2012. Residents may bring their leaves and yard waste (brush, twigs, branches, logs and grass clippings) to the "DropOff Center" (Resident Permit Required)

- * This program is for Orangetown residents only. Proof of residency is required. Please bring drivers license and registration to the Highway Department Administrative Office, for a **Free** one time permit application Monday through Friday, 7:00 am-4:00pm, except holidays.
- * Orangetown residents can receive **Free** biodegradable bags at the Highway Department, Town Hall and Parks Department.
- * Leaves, branches and grass clippings must be in separate bundles as each item will be deposited in it's own separate area. Free drop off of grass clippings and branches is for residents only, no unauthorized private contractors. **No plastic bags.**
- * Orangetown residents using commercial pickup trucks and vans must obtain a resident affidavit from the Highway Department Administration Office, authorizing one deposit to the "Drop Off Center."

Attached Coupons

If you contract with a **private lawn service**, each coupon below will give the contractor one free admission to the Highway Department "Drop Off Center" for leaf disposal. The contractor may obtain additional coupons for oversized lots by calling the Highway Department Office at 359-6500. Saturday arrangements for leaf drop off by a private contractor must be made in advance by contacting the Orangetown Highway Office.
