# Town of Orangetown Highway Department 2009 Green Waste Removal Schedule

## NO MATERIAL OF ANY TYPE SHOULD BE PLACED ON THE PAVED ROADWAY

**Do Not** block streets, sidewalks or intersections. Help to avoid hazardous pedestrian/traffic conditions, flood damage and protect our local water quality, by preventing debris from flowing into our drainage system. If you wish to dispose of your **Green Waste**, instead of waiting for your scheduled pick-up date, you may bring it to the **Orangetown Highway Department "Drop-Off Center."** You may also bring **grass clippings** and **thatch** at the **"Drop-Off Center"**, as the **Highway Department** does not pick up this material. **"Drop-Off Center" Resident Permit Required.**

### Here's What You Need To Know...

#### The Town of Orangetown's "Drop-Off Center":

- ✓ Insures only Orangetown residents have access to the facility.
- ✓ Helps provide smooth access through the center.
- ✓ Provides data to better plan future services.
- ✓ Identifies usage patterns.
- ✓ Provides information related to present and future budgeting.

### Here's What You Need To Do...

- ✓ Visit the Orangetown Highway Department Administrative Office at the above listed address for your "Drop-Off Center" Permit Application.
- ✓ Review "Drop-Off Center" Regulations.
- ✓ Bring with you a valid picture I.D. for proof of residency.
- ✓ Bring with you the information for each vehicle you would like to register.
- ✓ Complete your free, one time application for your permit.

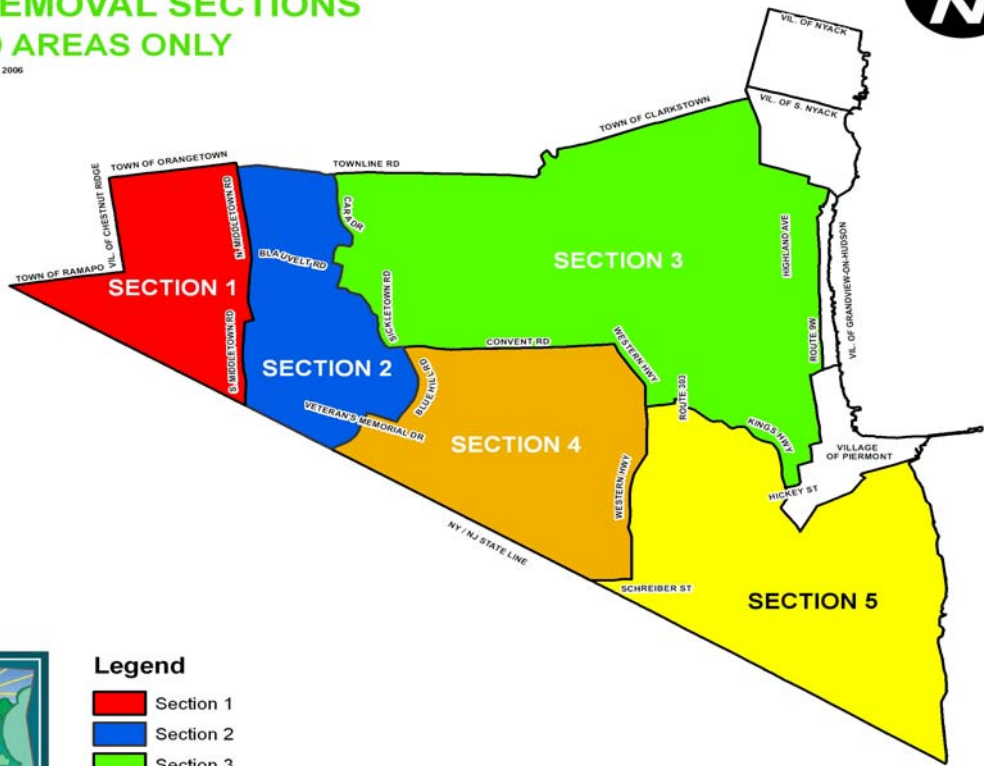

### HOURS OF OPERATION

8:00 AM - 4:00 PM - WEEKDAYS  
8:00 AM - 3:30 PM - SATURDAYS (Summer Hrs)  
8:00 AM - 12:00 NOON (December thru April)

## Town of Orangetown Highway Department 2009 Green Waste Removal Schedule

The **Town of Orangetown Highway Department** has scheduled its **2009 Green Waste Removal Program**. The Town is divided into five geographic sections. This Program will allow for seven pick-ups per section between March 2<sup>nd</sup> and October 26<sup>th</sup>.

- The **2009 Green Waste Program** will begin in **SECTION 5**
- Pick-up will begin on **Mondays** within each section.
- Please note your **2009 Green Waste Schedule** revisions.
- Leaves and yard debris must be in biodegradable bags.\*\*
- Branches must be no longer than 5 feet in length and neatly stacked.
- **Logs** may not be larger than 36” in diameter.
- **Stumps** should be clean of dirt and rocks and will be collected during your scheduled pick-up.
- Your **Green Waste** material must be placed curbside, in front of your house, NOT on the paved road surface.
- **Green Waste** material should be put out no sooner than five days prior to each scheduled pick-up date, and no later than 7 A.M. of the scheduled Monday morning.
- Once your street has been picked up, we will not return until the next scheduled pick-up date.
- Use biodegradable bags, not plastic. \*\*The Orangetown **Highway Department**, in conjunction with the **Rockland County Solid Waste Authority**, supplies **Biodegradable paper bags** for green waste, **FREE!** Using these biodegradable bags in place of plastic bags helps the environment and expedites our pick-up procedure, which presently requires us to remove the recyclable green waste from the plastic bags. You may pick up the biodegradable bags at the **Orangetown Highway Department Administration Office**, Monday through Friday, 7 A.M. to 4 P.M. and Town Hall, during their normal working hours.
- All Green Waste materials collected through recycling become mulch and compost and are available, **FREE**, to Orangetown residents for their personal use at our **“Drop-Off Center”**. “Drop-Off Center” Resident Permit required.

For further information, please call 359-6988 or 359-6989, or visit us on the Town’s website at [www.orangetown.com](http://www.orangetown.com). We encourage your cooperation, as it helps us improve our service to you.

#### **Dear Resident:**

Water is one of our greatest natural resources. We take it for granted but it is essential to life. Many people do not think twice about throwing garbage out of their car window, or piling green waste and leaves on a storm drain. The general perception is that it will go down the “sewer” and get processed at the sewer treatment plant. However, these “sewers” are actually storm drains and they provide routes for rainwater to flow away from the streets and prevent flooding. The storm drains lead directly into streams, rivers and lakes.

It is for this reason that the Orangetown Highway Department has developed its Clean Streets-Clean Streams Campaign. This slogan encompasses all of our efforts. It is the driving force behind our snow and ice control policy, our Green Waste Removal Schedule and our Fall Leaf Pick-Up Program.

The Highway Department has also established a **Green Team** which offers concerned residents an opportunity to help us in this matter. The following programs are some ways you may get involved:

#### **Adopt-A-Road**

The Town of Orangetown Adopt-A-Road Program is a litter-reduction campaign designed to remove litter and debris from the Town roads and improve the environment. The program establishes a partnership between local business, volunteer groups and the Town of Orangetown Highway Department by working together in the efforts of litter control along Town roads. As a sponsor, your group will receive a safety orientation and equipment from our coordinator, two Adopt-A-Road signs located at either end of the adopted road section, the opportunity to contribute to community beautification and recognition for a job well done.

#### **Adopt-A-Spot**

The Town of Orangetown Adopt-A-Spot Program enables neighborhood groups, individuals, scouts, churches and other small organizations to maintain various areas within the Town such as historical monuments, an intersection, landscaped traffic islands and even a single lot on your street. Volunteers perform routine maintenance such as mowing, weeding, planting, and minor repair. The Town will supply materials and place a sign with your or your organization’s name at the adopted spot.

#### **Litter Marshall Program**

Litter is a serious problem across the Country and the Town of Orangetown is no exception. Now Town of Orangetown Residents can take a proactive role in litter enforcement. The Town of Orangetown Highway Department Litter Marshal program provides a means for residents to report litterbugs anonymously. Orangetown residents are able to join the program free of charge. A Litter Marshal Program Packet, including litter educational materials, a reporting card and a welcome letter which outlines the program, is sent to all Litter Marshals.

The Marshals report littering incidents by calling, e-mailing or mailing information about the incident including the license plate of the vehicle, date, time and location. The same procedure may be used to report other types of litter problems.

**For applications or more information on these or any other programs, please call 359-6500 or visit us online at the Town’s website at [www.orangetown.com](http://www.orangetown.com)**
