#### NARRATIVE SUMMARY

This is a request submitted by New York City Football Club ("NYCFC"), and its affiliated company, Orangeburg Acquisition Co., LLC (together the "Applicants"). NYCFC is a professional soccer team which plays in Major League Soccer ("MLS" or the "League"). Orangeburg Acquisition Co., LLC is the owner of the property located at 200 Old Orangeburg Road, Pearl River, New York, also known as tax lot Section 73.12, Block 1, Lot 3.2 (the "Premises").

The Applicants previously applied to the Town of Orangetown for a site plan approval for the construction of a training facility for the team at the Premises. The training facility consists of a full-sized grass soccer field, plus an additional half sized soccer field along with a building of approximately 25,000 square feet, containing offices, locker rooms, exercise rooms and equipment, along with a separate maintenance building of approximately 2,600 square feet. The Town Planning Board provided final site plan approval at the meeting held on July 13, 2016. Subsequently, an amended site plan approval was obtained for some minor changes to the parking area. The Town issued a final certificate of occupancy for the facility on May 31, 2019, upon completion of construction.

Sporting events in the State of New York were suspended due to the COVID-19 pandemic. The State is now in the process of reopening and the County of Rockland is currently in Phase IV. As part of this reopening, professional sporting events are now able to be held, but without public attendance. MLS has been moving toward a reopening of the League and would like to begin playing games. NYCFC normally plays its home games at Yankee Stadium. Because the New York Yankees will be using the Stadium as part of its reopening, that facility will not be available to NYCFC. The Applicants have submitted requests and information to MLS to request that it be allowed to utilize the training facility in Pearl River for its home games. This will necessitate the placement of some temporary structures to allow games to be broadcast live from the training facility. Additionally, temporary structures will be needed at the site for use by opposing teams for locker room facilities, and bathroom facilities. All of these buildings will be self-contained, temporary modular structures, which will be compliant with all applicable State codes.

In an effort to move this proposal forward, the Applicants, and their representatives, met with representatives of the Town including the Town Attorney, Town Supervisor, Building Inspector, and others. It was suggested that the Town could authorize this proposed temporary use, particularly in light of the circumstances resulting from the COVID-19 pandemic. The Applicants request that the Town Board provide temporary relief from normal site plan requirements to allow the temporary facilities to be installed at the site pursuant to §6-5(f) recently enacted by the Town in response to the COVID-19 pandemic. Attached hereto are some conceptual plans for the placement of these temporary facilities including a locker-room for visiting teams, broadcast and press boxes, and temporary bathrooms.

It is anticipated that NYCFC will play a total of eight (8) home games at the training facility. The first home game is scheduled for on or about August 15, 2020 and it is anticipated

that the last home game will be held on or about November 1, 2020. The request for the installation and placement of the temporary structures at the site would be for this time period. It is anticipated that these structures will be removed and the training facility restored to the original configuration approved by the final site plan on or before thirty (30) days after the final home game.

It is anticipated that all games will be played during daylight hours. However, depending on League scheduling, and broadcast requirements, the Applicants also request that approval be given for the use of temporary lighting for the field, which shall only be utilized during the games and one hour before and after the games.

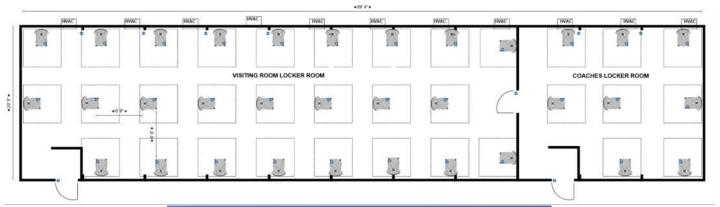

At this time, there is no request for any fans of the team to attend games at the facility. That will require approval by both the State of New York and MLS. In the event the State and MLS approve the attendance of fans at the games, a new request would be submitted to the Town Board to consider this. In the event the COVID-19 pandemic continues, and the Applicants desire the temporary structures to remain into the 2021 season, an application will be made to the appropriate Town boards for all required approvals.

### DRAINAGE EASEMENT

THIS AGREEMENT, made as of this 6 day of June, 2020 by and between PATRICIA SCIFO-WAFFENSCHMIDT (hereinafter referred to as "Grantor"), of 87 Burrows Lane, Blauvelt, New York, and the TOWN OF ORANGETOWN (hereinafter referred to as "Grantee"), a municipal corporation with its office at 26 Orangeburg Road, Orangeburg, New York,

WITNESSETH THAT, the Grantor, for and in consideration of the sum of TEN (\$10.00) DOLLARS, lawful money of the United States of America, to it in hand paid by the Grantee, the receipt whereof is hereby acknowledged, and other good and valuable consideration as herein specifically set forth, has given, granted and conveyed and by these presents does give, grant and convey unto the Grantee, it successors and assigns forever, the right, privilege, authority and easement to utilize, operate, maintain, reconstruct, remove and replace an existing drainage pipe located on the subject property, which pipe having been installed in, on, over and across certain lands owned by the Grantor, situate, lying and being in the Town of Orangetown, County of Rockland, State of New York, being more particularly bounded and described and identified on the Tax Map of the Town of Orangetown as Section 70.09 Block 2, Lot 38 (the "Easement Area"), said easement area intended to be ten feet wide measured from the center of the existing 18" pipe (5 feet on each side) for the length of the pipe area as shown on the plan, excluding the areas mentioned above;

TO HAVE AND TO HOLD the same unto the Grantee, its successors and assigns forever.

This easement is granted, subject to the following terms and conditions:

- 1. This easement shall be strictly limited to the purpose or purposes set forth in the recital paragraph above. Any work performed on the Grantor's property by, or on behalf of, the Grantee shall be without cost and expense to the Grantor and shall be performed so as not in any way to interfere otherwise with the use of the lands by the Grantor, except as agreed and specified by this Indenture.
- 2. The Grantee will, at its sole cost and expense, repair any damage caused by the existence or maintenance of the Grantee's Facilities or by any work or operations performed by the Grantee in connection therewith.
- 3. The Grantor agrees to permit the Grantee to enter upon the adjacent lands owned by the Grantor, in the immediate area of the Facilities, for the purpose of maintenance and repair and periodic cleaning and removal of debris of the Facilities described herein, provided, except in emergency situations, its duly authorized representative is notified at least forty-eight (48) hours in advance of such work by United States Certified Mail and such representative gives approval therefor in writing, and provided further that such work is performed in a manner so as not to interfere with the use of the

lands by the Grantor. In the event of an emergency, the Grantee may enter upon the lands for the purpose of making emergency repairs, upon giving notice to the duly authorized representative of Grantor. Such notice may be by telephone or fax, but shall be confirmed, in writing by the Grantee within forty-eight (48) hours by written and mailed Notice thereof. For the purposes hereof, contact information of a duly authorized representative of the Grantor shall be provided by the Grantor to the Grantee by a separate Contact Information data sheet to be supplied by Grantee. If Grantor fails to provide the name of a duly authorized representative in writing to the Grantee upon the Contact Information data sheet within 30 days of its mailing by First Class US Mail to Grantor, then no written notice is required to be provided.

- 4. (a) When the Grantee is operating upon the lands which are the subject matter of this easement, the Grantor shall have the privilege of assigning its own inspector or inspectors to the job, provided Grantor has provided the name of a duly authorized representative as set forth above. The inspector or inspectors so assigned by the Grantor shall have full authority to prevent hazard to any facilities of the Grantor but may not prevent Grantee from performing work that protects the health, safety and welfare of those reliant upon these facilities.
- (b) The presence of the inspector or inspectors of the Grantor shall not relieve the Grantee of liability as herein set forth.
- 5. The Grantee, its successors and assigns, covenants and agrees with the Grantor, its successors and assigns that no permanent buildings or structures other than those authorized herein (i.e. asphalt driveway or such other hard surface and impervious motor vehicle used surface) shall be erected on, in or above the said designated easement lands by either party.

- 7. This Easement shall take effect upon formal acceptance of same by Resolution of the Town Board of the Town of Orangetown.
- 8. In addition to the other covenants and conditions contained in this Easement Grant, the Grantee agrees that it will restore the land of the Grantor as near as its former condition, at its sole cost and expense, whenever work is performed by the Grantee on the Facilities. Where damage has been done to lawns and/or grassed areas, the affected area shall be plowed, disked, raked, fertilized, seeded and mulched to produce a satisfactory stand of grass. After the area has been seeded, the Grantee shall take measures to prevent trespassing thereon. Where damage has been done to hard surface (macadam asphalt, as examples) driveway then same shall be similarly restored to its prior usable condition.

- 9. The Grantor reserves to itself and it successors and assigns the right to use surface of the land for any maintenance or construction work or any other purpose, provided such use does not interfere with the use and/or maintenance of this Easement and/or Grantee's Facilities.
- 10. The Grantee shall not be liable for any physical damages to the immediate easement area done by the Grantee or by any of their employees, agents and/or contractors (excluding gross negligence and intentional acts) to any portions of the real property of the Grantor (except fences across said right-of-way and easement area and/or trees) situated within, upon, over, under and across said right-of-way and easement; it being the intention of the parties hereto that the consideration herein set forth shall include all damages, present and prospective, which may be known, or may be reasonably expected to result from the construction, operation and maintenance of said facilities, in accordance with the rights and privileges herein granted to the Grantee, but subject to the limitations and reservations herein expressly contained. The rights and privileges herein granted the Grantee may be assignable, in whole or in part, by the Grantee and their successors and/or assigns, and shall be binding upon, and inure to the benefit of, the parties hereto, and their respective heirs, executors, administrators, legal representatives, successors and/or assigns.

IN WITNESS WHEREOF, the parties hereto have caused this Easement Grant to be signed by their duly authorized representatives as of the day and year first above written but effective as of the Effective Date.

#### To Aric Gorton:

The Tappantown Historical Society would like to plant annuals in the planter at the entrance to Tappan Memorial Park on Washington Street and the planter at the south end of the park that faces Oak Tree Road. THS will purchase, plant, and water the annuals. We would also like to put two small signs, 4"x 6," stating that THS donated the plants.

The park is looking much better with the addition of the new attractive trash can container and the new benches, and we appreciate the efforts to control the duck weed with improved drainage. Not an easy task! Thank you. As you may know, THS, the Tappan Library, The Tappan Reformed Church, and the Orangetown Highway Department have worked together to plant and maintain the small triangle at the Kings Highway and Greenbush Road intersection in Tappan. THS also decorates the lamp posts with roping during the holiday season, and we are looking into putting planters along Main Street in the future. Because THS is not holding Colonial Day this year and we are not giving walking tours for the foreseeable future, we are looking for more ways to contribute visually to the historic area.

Thank you for your help with small project.

Thank you, Aric.

Do you want a request on THS letterhead stationary or would an email do? The sign would be no larger than a 4 x 6 file card with the THS logo on it.

Thank you for your email. It is good to hear from you.

I'm glad to hear that you like the improvements. We actually build those garbage can surrounds in house and have been placing them as they are assembled.

Yes. I think flowers would be a nice addition.

Could you send me a "formal" proposal that includes the request for the sign? I will have the added to a Town Board agenda for approval.

Please let me know if you have any questions.

Thank you.

Hello Aric,

May the Tappantown Historical Society put some annual plants in the empty planters in the Tappan Memorial Park now that it is reopen for use? If so, we will get the plants, put them in, and try to keep them watered. Also, if we can do this, may we put a small sign in the planter saying that the plants are donated by THS?

Also, this is an overdue thank you for the new benches, the attractive garbage container bin, and the improvements in water flow.

Fight on!

# STATEMENT ATTACHED TO AND FORMING PART OF ALL BIDS RECEIVED BY THE TOWN OF ORANGETOWN

- (a) By submission of this bid, each bidder and each person signing on behalf of any bidder certifies, and in the case of a joint bid each party thereto certifies as to its own organization, under penalty of perjury, that to the best of knowledge and belief:
- (1) The prices in this bid have been arrived at independently without collusion, consultation, communication, or agreement, for the purpose of restricting competition, as to any matter relating to such prices with any other bidder or with any competitor;
- (2) Unless otherwise required by law, the prices which have been quoted in this bid have not been knowingly disclosed by the bidder and will not knowingly be disclosed by the bidder prior to opening, directly or indirectly, to any other bidder or to any competitor; and,
- (3) No attempt has been made or will be made by the bidder to induce any other person, partnership or corporation to submit or not to submit a bid for the purpose of restricting competition.
- (b) A bid shall not be considered for award nor shall any award be made where (a), (1), (2) and (3) above have not been complied with; provided, however, that if in any case the bidder cannot make the foregoing certification, the bidder shall so state and shall furnish with the bid a signed statement which sets forth in details the reasons therefor.
