Re: Bid Number: DEME-17-06, Industrial Vacuum Mounted on Heavy Duty Truck Chassis

The Town received one bid for the above referenced item on Wednesday, January 17, 2007, from Jet-Vac, Inc. for an amount of $163,090.00 less an optional trade in of $5,000.00 for a net purchase price of $158,090.00.

This price is below our estimated cost for this vehicle and significantly below the amount approved in the bond for this equipment of $200,000.00.

For your information, this bid was advertised in the Town newspapers and on Bid Net and copies of the bid notice were sent directly to several potential bidders.

Seven companies obtained the bid documents from the Town Clerk's Office and numerous others reviewed it on line via Bid Net.

DEME received no calls or correspondence indicating any concerns or issues with the bid documents and is very surprised that there was only one bidder.

I called some of the companies that obtained copies of the bid documents but didn't bid to inquire why but they either didn't return phone calls or didn't explain why they didn't bid.

TOWN OF ORANGETOWN
JAN 19 P12:33
TOWN CLERKS OFFICE

However, the lone bid received is a fair and equitable price for the equipment from a very reliable and competent company which has provided other equipment to the Town satisfactorily.

Therefore, I am recommending award of this bid to Jet-Vac, Inc. in the amount of $158,090.00 for the vehicle including the optional trade in.

Should you have any questions on the above, please contact me.

Thank you for your consideration in this matter.
