## Memo

To: Town Board  
From: James J. Dean, Superintendent of Highways   
Date: September 9, 2009  
Re: Existing curb and sidewalk construction, Replacement and repair contract

---

Please be advised, last year we awarded the above referenced contract to Bellavista Construction as part of our competitive bidding process.

The total contract award was for \$ 194,280.00, the actual cost of repairs was \$ 170,000.00

This department has recently completed our survey of needed curb and sidewalk repairs required with an estimated cost of \$ 80,000.00 based on the prices quoted in the existing contract.

By this memo, I request we extend the existing contract for one year so that we may complete the work now needed and secure the 2008 pricing for future work into 2010.

I have discussed this option with Joseph DeSantis, President of Bellavista Construction, and he has agreed to extending the existing contract as written, for one year.
