**LOCAL LAW NO. \_\_\_\_\_, 2004  
OF THE TOWN OF ORANGETOWN**

**A LOCAL LAW AMENDING LOCAL LAW NO. 1, 1966 (CHAPTER 14A OF THE  
CODE OF THE TOWN OF ORANGETOWN ENTITLED "FIRE PREVENTION  
BUREAU")**

Be it enacted by the Town Council of the Town of Orangetown that Local Law No. 1, 1966 (Chapter 14A of the Code of the Town of Orangetown entitled "Fire Prevention Bureau") adopted on March 28, 1966, as amended, be and hereby is amended by this Local Law No. \_\_\_\_\_, 2004, as follows:

**§ 14A-1. Establishment of Bureau.**

A Bureau of Fire Prevention to administer Chapter C and relevant sections of the New York State Uniform Fire Prevention and Building Code, and Chapter 1C ("Alarm Systems") and the Fire Prevention Code of the Code of the Town of Orangetown is hereby established, to be known as the "Bureau of Fire Prevention of the Town of Orangetown."

**§ 14A-2. Fire Prevention Bureau.**

The Bureau of Fire Prevention shall consist of a Chief of the Bureau of Fire Prevention and five Fire Inspectors, one from each fire district within the Town of Orangetown, who shall be appointed by the Town Board of the Town of Orangetown.

**§ 14A-3. Chief and Fire Inspectors.**

A. The Chief of the Bureau shall be an active fireman in the township for at least five years and a high school graduate or equivalent.

- B. The Fire Inspectors to be appointed from each fire district shall have at least five years' experience as active members of a fire company within their respective fire districts.

**§ 14A-4. Board may appoint Assistant Fire Inspectors.**

The Town Board may also appoint such Assistant Fire Inspectors as may be necessary for the proper operation of the Bureau in the unincorporated areas of the town.

**§ 14A-5. Removal of Assistant Fire Inspectors.**

Assistant Fire Inspectors shall hold office at the pleasure of the Town Board and may be removed at the request of the Boards of Fire Commissioners of their respective districts, but only after a hearing upon five-day written personal notice.

**§ 14A-6. Meetings.**

Meetings of the Bureau of Fire Prevention shall be held at the call of the Chief of the Bureau, who shall call such a meeting whenever, in his opinion, it is necessary, or upon the request of three members of the Bureau, each from a different district. Three members, each from a different district, shall constitute a quorum for the transaction of business.

**§ 14A-7. Duties and powers.**

- A. The Chief of the Bureau of Fire Prevention shall have the power to enforce all laws and ordinances relating to fire prevention and conditions hazardous to life and property from fire or explosives, including but not limited to Chapter C and relevant sections of the New York State Uniform Fire Prevention and Building Code, and Chapter 1C ("Alarm Systems") and the Fire Prevention Code of the Code of the Town of Orangetown, the Minimum Housing Standards Code of the Town of Orangetown and the Multiple Residence Law of the State of New York.

- B. The Fire Inspectors in their respective districts, as members of the Bureau of Fire Prevention, shall investigate and report all violations of all laws and ordinances relating to fire prevention and conditions hazardous to life and property from fire or explosives.
- C. The Bureau of Fire Prevention shall have the power to propose regulations covering any and all special conditions involving the safety of all buildings and structures, which regulations shall be presented to the Town Board of the Town of Orangetown for adoption or other appropriate action, and said Bureau shall have such powers and perform, such other duties as are set forth herein and as may be conferred upon it from time to time by local law.
- D. It shall be the duty of the Chief of the Bureau of Fire Prevention to inspect, or cause to be inspected by the Fire Inspectors, all buildings and premises within the Town of Orangetown outside of our incorporated village, except the interior of private, single-family dwellings, at least once each year for the purpose of ascertaining and causing to be corrected any violation of any law, code or ordinance relative to fire prevention, and he shall file or cause to be filed, in the office of the Bureau, a report of such inspection.

**§ 14A-8. Permits.**

- A. The Chief of the Bureau of Fire Prevention may issue permits in accordance with the provisions of Chapter C and relevant sections of the New York State Uniform Fire Prevention and Building Code and the Fire Prevention Code of the Town of Orangetown to maintain, store or handle materials or to conduct processes which produce conditions hazardous to life or property or to install equipment used in connection with such activities. Notice of issuance of such permits shall be given to the local Fire Chief. Such permits will not take the place of any other license or permit required by law. Such

permits shall not be transferable, and any change in use or occupancy of premises shall require a new permit.

- B. Before a permit may be issued, the Chief of the Bureau of Fire Prevention or his inspectors shall make or cause to be made such inspection or tests as are necessary to assure that the provisions of Chapter C and relevant sections of the New York State Uniform Fire Prevention and Building Code and the Fire Prevention Code of the Town of Orangetown are complied with. All costs for testing materials and equipment shall be borne by the owner.
- C. The Chief of the Bureau of Fire Prevention may revoke a permit or approval issued if any violation of Chapter C and relevant sections of the New York State Uniform Fire Prevention and Building Code and the Fire Prevention Code of the Town of Orangetown is found upon inspection or in case there has been any false statement or misrepresentation as to a material fact in the application or plans on which the permit or approval was based.
- D. Fees for permits under the Fire Prevention Code shall be established under § 15-5 of the Town Code of the Town of Orangetown.

#### **§ 14A-9. Inspections.**

- A. The Chief of the Bureau of Fire Prevention or any Fire Inspector may, at all reasonable hours or at any time he or they may have reason to believe that a fire hazard may exist, enter any building or premises within his jurisdiction, except the interior of a private dwelling, for the purpose of making any inspection or investigation which, under the provisions of Chapter C and relevant sections of the New York State Uniform Fire

Prevention and Building Code and the Fire Prevention Code of the Town of Orangetown or any law or ordinance relating to fire prevention, he or they deem necessary.

- B. The Chief of the Bureau of Fire Prevention or a Fire Inspector shall inspect as often as the Chief may consider necessary all specially hazardous manufacturing processes; storage or installation of gases, chemicals, oils, explosives and flammable materials and such other hazards or appliances as the Chief of the Bureau shall designate, and the Chief shall make such orders as may be necessary for the enforcement of the laws and ordinances governing the same and for the safe-guarding of life and property from fire.
- C. Whenever the Chief of the Bureau or any Fire Inspector shall find in any building or upon any premises combustible or explosive matter or dangerous accumulations of rubbish or unnecessary accumulation of wastepaper, boxes, shavings or any highly flammable materials, and which are so situated as to endanger property passageways, doors or windows, or liable to interfere with the operations of the Fire Department or egress of occupants in case of fire, the Chief of the Bureau shall order the same to be removed or remedied and immediately notify the local Fire Chief of his findings.

**§ 14A-10. Order to remove or remedy dangerous conditions.**

- A. Whenever any of the said officers shall find any building or other structure which fails to comply with the provisions of Chapter C and relevant sections of the New York State Uniform Fire Prevention and Building Code, or Chapter 1C ("Alarm Systems") and the Fire Prevention Code of the Code of the Town of Orangetown or, for want of repairs, lack of sufficient fire escapes, automatic or other fire alarm apparatus or fire-extinguishing equipment or by reason of age or dilapidated condition or from any other cause, is especially liable to fire and which is so situated as to endanger other property or

the occupants thereof, and whenever such officer shall find in any building combustible or explosive matter or flammable conditions dangerous to the safety of such buildings or the occupants thereof, the Chief of the Bureau shall order such violations of Chapter C and relevant sections of the New York Uniform Fire Prevention and Building Code and the Fire Prevention Code of the Town of Orangetown or such dangerous conditions or materials to be removed or remedied.

- B. The service of such inspection reports may be made upon the occupant of the premises to whom it is directed, either by delivering a copy of same to such occupant personally or by delivering the same to and leaving it with any person in charge of the premises, or in case no person is found upon the premises, by affixing a copy thereof in a conspicuous place on the door to the entrance of said premises. Whenever it may be necessary to serve such an order upon the owner of the premises, such order may be served either by delivering to and leaving with the said person a copy of the said order, or, if such owner is absent from the jurisdiction of the officer making the order, by mailing such copy to the owner's last-known post-office address as shown on the tax records of the Town of Orangetown.

This Local Law No. \_\_\_\_\_, 2004, shall take effect immediately upon filing in the Office of the Secretary of State in accordance with §27 of the Municipal Home Rule Law.
