

**TOWN OF ORANGETOWN
REGULAR TOWN BOARD & AUDIT MEETING
September 8, 2003**

The Regular Town Board Meeting was opened at 7:40 p.m. Supervisor Kleiner presided. The Town Clerk called the Roll. Present were:

Councilman Edward Fisher
Councilman Denis O'Donnell
Councilman Denis Troy
Councilwoman Marie Manning

Also present: Charlotte Madigan, Town Clerk
James Riley, Town Attorney
Suzanne Barclay, Executive Asst. to Supvr.
Charles Richardson, Director of Finance
James Dean, Superintendent of Highways
Robert Beckerle, Dir. Dept. of Environmental Mgt. & Eng.
Robert Simon, Receiver of Taxes
Mary McCloskey, Assessor's Office
Richard Rose, Superintendent of Parks, Rec. & Bldg. Maint.

The Pledge of Allegiance to the Flag was led by Charlotte Madigan, Town Clerk.

Supervisor Kleiner announced there will be a September 11 Memorial at 10:30 a.m. and a Candlelight Vigil at 7:30 p.m. at Town Hall Lawn.

Supervisor Kleiner along with the Town Board discussed the following issues regarding RPC property. There are concerns that the pool will not be opened in time for the summer and should they consider a partial seasonal opening. A further discussion will take place regarding a boardwalk over the wetlands. Future discussions are also planned with Saccardi & Schiff, Inc. with regards to the Master Plan.

The Collins property will be discussed during the public portion.

Public Portion

Jeff Berman, Blauvelt, spokesman for the Open Space Committee, in favor of the purchase of the Collins property.

Councilman Fisher, expressed support of the purchase of the Collins property.

Fred Devan, Piermont Trustee, in favor of the purchase of the Collins property and gave a breakdown of the cost to the Town.

Joan Gussow, Piermont Trustee, in favor of the purchase of the Collins property.

Vince O'Brien, Piermont Trustee, expressed that the Collins property is part of the watershed and crucial to the welfare of Orangetown.

Elyse Knight, commented that it is very important in sustaining the Beauty of Orangetown. We should keep this Beauty for future generations.

Kevin Jersey, Nyack, spoke about a police incident, June 13, 2002, where a dog was shot.

Brian Aitchison, Tappan, very in favor of the purchase of the Collins property.

Bill Bosley, requested the minutes of the Swearing in Ceremony of Mr. Rossi and Mr. Curica appointments.

Ellen McCarty, Tappan, spoke about the retaining wall, questioned if the plantings on her property are completed and if the Town will maintain. Has she received copies of all inspection reports?

Jim Previdi, Bardonia, in support of the purchase of the Collins property.

Mary McCloskey, Blauvelt, commented that the Open Space Committee is doing a great job. However, she is against the purchase of the Collins property because of the tax burden. Ms. McCloskey is concerned that Adult/Housing is not being addressed and that light industry at RPC would help lighten the burden of tax increases.

J. Peter Schuerholz, Tappan, in favor of the purchase of the Collins property.

Jean Thompson, Nyack, has a small business and enjoys Orangetown. She is in favor of the purchase of the Collins property.

Watson Morgan, Blauvell, on the open space committee. Says the Collins property is a sanctuary we should keep.

Dawn Nostrand Finn, Blauvelt, concurs that this is a commitment that must be met, in favor of the purchase of the Collins property.

John W Murphy, Pearl River, concerned of retail stores being open 24 hours, seven days a week. He is against the stores being opened 24 hours, seven days a week.

Larry Vail, Tappan, in favor of this purchase which will keep the Collins property as open space and if a developer acquires this property it will cause the school budget to go up.

Jonathan Howard, Orangeburg, in favor of the purchase of the Collins property but concerned that it will negatively effect water supply.

Sara Tucker, Piermont, Pres of South Orangetown School District, if homes are to be built on the Collins property, consider the capacity of the schools.

Paul Kubarych, Tappan, in favor of open space, the purchase of the Collins property and believes we should procure this property.

Carol Silverstein, Orangeburg, is against the purchase of the Collins property because of fiscal cost to the Town. We are presently paying off a series of Bonds.

Judy Goodrich, Upper Grandview, the Collins property is a jewel piece of property. We should purchase and believes the sacrifice of the payers would be well worth it.

Gina Ironside, Tappan, purchase of the Collins property fits in with our Master Plan. Residential development will cost more than the purchase.

Betsy Brenner, Orangeburg, questioned if there is a firm guarantee regarding money from Rockland County. She is concerned that the amount of taxes paid presently would come off the tax roll. She also commented that if the property is zoned R-80 then only 14 homes could be added.

Donald Brenner, Orangeburg, wants the right to answer certain statements. Presently Orangetown has over 2000 acres of open space. The 42 acres of the Collins property will only permit 14 homes to be built; tax relief will be realized if homes are built. He disagrees with statements made regarding water, taxes, utilities and the cost new homes would incur.

Rudolf Homer, commented these properties are timeless. Fortunately people of means purchase certain lands that we enjoy in Rockland County. Low percentage rates make these purchases possible. We must be visionary and purchase the Collins property.

Phil Nicholas, representative from The Trust for Public Land, helps municipalities purchase (contractual issues) and obtain open space. He commented that the 9/17 estate appraisal will rise substantially more if purchased by a developer. He recommended intensive lobbying to the State to help with purchase. He also commented that there is an excellent chance of extending the option if funding is in place.

A long discussion took place between the members of the Town Board and feel that a stronger commitment by the County and the State should be obtained before going any further with this purchase. All members of the Town Board were supportive of this purchase but have grave reservations that the cost would be too much for the taxpayers to bear.
