# *A Message from the Supervisor*

Dear Orangetown Residents:

Summer is one of the most exciting times of year in Orangetown's 26 town parks and open space areas. If you're new to town or haven't yet explored all that our Town has to offer, we hope you'll get outdoors and enjoy the fantastic programs our team at the Parks & Recreation Department again put together for kids, teens, and adults.

From organized activities such as baseball, hands-on science, and martial arts to swimming, or tennis, basketball or handball at any of our courts, we offer scores of recreation opportunities - just browse through this booklet to learn more.

If you just want to take a stroll, try Pascack Brook Park or the Joseph B. Clarke Rail Trail which can be accessed in Tappan, Sparkill, Orangeburg and the new spur that runs south from Western Highway at Blauvelt Road near the Blauvelt Library.

Of course, don't forget about our two golf courses, the 27-hole Blue Hill and the 9-hole Broadacres!

Lastly, one of my favorite things to do during the summer is to check out the free summer concerts at Veteran's Memorial Park - once again we have a great lineup of entertainment! Bring a chair or a blanket and a few snacks and enjoy live music under the stars.

Have an idea for a new program you'd like the Town to offer - or a suggestion to improve an existing program? Share your ideas by calling the Parks and Recreation Department at 359-6503 or emailing - [recreation@orangetown.com](mailto:recreation@orangetown.com).

Sincerely,  
Andy Stewart

# Registration Policy

## mail-in/walk in

*Please take the time to read the information carefully so your registration is correctly processed. All mail-in registration forms require payment in full in order to be processed.*

Mail-in registration must be postmarked June 1, 2017 or later. Mail received in this office postmarked prior to June 1, 2017 will be returned by mail to the registrant. Mail-in registration only will continue until Tuesday, June 6, 2017. **(ABSOLUTELY NO IN PERSON REGISTRATION WILL BE ACCEPTED DURING THIS TIME.)** Beginning Wednesday, June 7, 2017, in person registration will be accepted, weekdays 9:30am - 4:30pm, along with continued mail-in registration, at the Office of Recreation and Parks, located at 81 Hunt Rd. in Orangeburg until the start of the program.

All registrants are advised that many programs have limited availability and registration is accepted on a first come first served basis. To better serve you, it is recommended that you return your completed registration form in a timely manner in accordance with the above mail-in policy. Phone calls will be made to all registrants with conflicts as soon as possible. *If you do not receive a phone call from this office your registration has been accepted.* Registration for closed classes will be kept on file, registrants will be notified, and payment returned.

**Refund Policy:** Refunds will be considered only for medical purposes upon presentation of a physician's certificate, except in cases where a program is canceled by the Office of Recreation and Parks. Credits will be issued only prior to the start of a program. Credits or refunds will not be considered after the start of the program. Cancellations less than 5 business days prior to the start of a program will be assessed a \$5.00 administrative fee.

### Non-Resident Policy

1. Non-resident registration will be accepted no earlier than 5 business days prior to the start of a program, provided there is availability.
2. Non-residents will be admitted on a restricted basis and only after Orangetown Residents have had sufficient time to register.
3. Not all programs allow for Non-Resident participation.
4. Non-Residents are required to pay an additional 25% of the program fee.

**Programs, dates and times are subject to change. All checks are made payable to the Town of Orangetown and must show an Orangetown Residence. Checks listing a Non-Orangetown address will not be accepted.**

Refunds and or make-ups are not guaranteed for classes canceled due to inclement weather or school activities.

**Program cancellations will be listed at [www.cancellations.com](http://www.cancellations.com) Make-ups will be e-mailed to households as necessary, phone calls will not be made. Please make sure you provide an e-mail address that is checked regularly and make [parksoffice@orangetown.com](mailto:parksoffice@orangetown.com) a safe sender.**

All programs held at the South Orangetown and Pearl River School District facilities will be canceled during vacation periods and school holidays. **School district programs will take precedence over regularly scheduled Orangetown Parks and Recreation programs.**

The Town of Orangetown, Orangeburg, New York, advises the public, employees and job applicants that it does not discriminate on the basis of handicapped status in admission or access to, or treatment or employment in, its programs and activities.

*Cancellations and upcoming events will now be available by twitter. Follow us on twitter @ orangetownrec.*

# On-Line Registration

The Office of Recreation and Parks is beginning to make the switch over to on-line registration. We will be testing a few programs this summer and more this fall as we move forward in the process. If you registered with us in 2016 or 2017, you will be receiving an email with your user name and password prior to the start of registration going live on-line. First time registrants may contact the Office of Recreation and Parks to prove residency or will need to use the mail in or walk in procedure for this season in order to prove residency and set up a household # and then will receive an email such as the one listed above for the fall/winter season. The non-resident registration policy will still be in effect for non-resident households that have used our program over the last 18 months as they will have a username and password but still may only register 5 business days prior to the start of a program. The registration website is [parks.orangetown.com](http://parks.orangetown.com) and will be active at 12:00am on Thursday, June 1st. Please see below and Page 4 for the programs that will be available on-line. You may choose to mail in or walk in based on the registration dates for these programs as well.

# Family Movie Night & Children's Concert

The Orangetown Parks and Recreation Office will sponsor the nineteenth Annual "Movie Night in the Park" at Veteran's Memorial Park in Orangeburg. Returning to the program this year will be The Bossy Frog Band. The Bossy Frog Band's performances are high energy, banjo driven, costume character dancing fun! The Bossy Frog Band has performed for over 100,000 children and families and their most recent album, "15 Songs Every Kid Should Know (and will Love!)" won a Parents' Choice award. On Friday July 28, 2017, Big Wave International will be setting up a 20 ft by 24 ft movie screen, a giant video projection system with stereo surround sound for a return to the 60's and 70's when drive-in movies were popular. The night will also include Jumpy Castles provided by Bouncin Around Town of Blauvelt as well as face painting, balloon animals and more. Residents will be able to bring lawn chairs, blankets, and picnic baskets to enjoy a summer evening in front of the big screen. **This program is free and open to all residents of Orangetown.**

**Friday, July 28, 2017**  
**Veteran's Memorial Park**  
**6:30pm – The Bossy Frog Band**  
**8:00pm – Magic Show**  
**8:45pm – Trolls**

## GONE FISHING!

Orangetown Recreation in conjunction with Rockland legend, Skip Storch, owner of Shu-Fly in Nanuet will provide a one day – two hour clinic. Did you know that Veteran's Memorial Park has two fishing ponds and the Pascack Brook and Sparkill Creek run through 2 of our satellite parks? Join us to learn the ins and outs of fishing the correct way. The program will provide for children to learn to fish safely, to recognize certain species of fish and how to leave the environment just the way you found it. Each registrant will receive a complete fishing package (fishing pole, reel and fishing line) at the end of the program. It is highly recommended that a parent/guardian stay with each child.

**Veteran's Memorial Park**  
**Saturday, June 24, 2017 (Raindate: Sunday, June 25)**  
**10:00am – 12:00pm • Ages 5 to 12**  
**Program Code: Y2L-501**  
*(Rain or Shine)*  
**Fee: \$20.00 per registrant**

# *Skyhawks Sports Camps*

Skyhawks programs are designed to engage the imagination of young athletes. Skyhawks participants improve their skills through encouragement and non-competitive play.

## **MINI HAWK CAMP**

This multi-sport program was developed to give children a positive first step into athletics. The essentials of baseball, basketball and soccer are taught in a safe, structured environment with lots of encouragement and a big focus on fun. Our Mini-Hawk games and activities were designed to allow campers to explore balance, movement, hand/eye coordination, and skill development at their own pace. Skyhawks staff are trained to handle the specific needs of young athletes. Participants should bring a non-refrigerated snack and water bottle.

### **W. O. Schaefer School**

June 26 – June 30, 2017

Grades: Kindergarten, 1st & 2nd

9:00am – 12:00pm

Program Code: Y2H-201

**Fee: \$80.00**

## **MULTI-SPORT CAMP**

### **(SOCCER, BASEBALL & BASKETBALL)**

Designed for the all-around player who wants to play all sports or for the beginning player who wants to try all three. Participants should bring a non-refrigerated snack and water bottle.

### **W.O. Schaefer School**

Grades: 3rd, 4th & 5th

9:00am – 12:00pm

Program Code: Y2H-202

**Fee: \$80.00**

# Mini-Sports Camp

**The fundamentals of each sport will be taught by Skyhawks Sports Camps.** Sports camps for children grades Kindergarten to 5th grade will be held at the Veteran's Memorial Park in Orangeburg. These programs will emphasize the basic skills and fundamentals of each of the following sports: baseball/softball, basketball and soccer. The mini-hawk sport camps will be for children entering kindergarten , 1st and 2nd grades only and will be an introductory program for young children that will explore multiple sports in a fun setting. In order to participate, children must be entering the appropriate grade as of September 2017.

**Veteran's Memorial Park: Monday through Friday  
9:00 am - 12:00 Noon**

## Starting New at Golf

Skyhawks Golf focuses on building the confidence of young athletes by teaching proper technique to refine essential skills of the game. Golf is a challenging and lifelong sport, so young athletes need proper focus on the fundamentals of form, swinging, putting, and body positioning. To assist in this training, Skyhawks has adopted the SNAG (Starting New At Golf) system to its curriculum. SNAG utilizes a set of equipment designed for beginning golfers, including oversized plastic club heads and "mini tennis balls" to help build confidence and to have fun. Developed by PGA professionals, SNAG is specifically designed for the entry-level player; SNAG simplifies instruction so that young players can make an easy and effective transition onto the golf course. No need to bring your own clubs--all equipment is provided. We keep the instructor-to-camper ratio low, resulting in limited availability. These programs fill up quickly.

## Mini-Hawk

This multi-sport program was developed to give children a positive first step into athletics. The essentials of baseball, basketball and soccer are taught in a safe, structured environment with lots of encouragement and a big focus on fun. Our Mini-Hawk games and activities were designed to allow campers to explore balance, movement, hand/eye coordination, and skill development at their own pace. Skyhawks staff are trained to handle the specific needs of young athletes.

## Multi-Sport

Our multi-sport camp is designed to introduce young athletes to a variety of different sports in one setting. For this program we combine soccer, baseball/softball, basketball, flag football, capture the flag and ultimate frisbee into one fun-filled week. Athletes will learn the rules and essentials of each sport through skill-based games and scrimmages. By the end of the week, your child will walk away with knowledge of multiple sports along with vital life lessons such as respect, teamwork, and self-discipline.

## MAD SCIENCE SUMMER 2017 CAMP TOPICS

### BRIXOLOGY

Camp lays the foundation for our next generation of makers! Kids learn about different types of engineering and then team up to construct different engineering-themed projects using LEGO® bricks. They learn about aerospace engineering while assembling a space station. They explore mechanical engineering as they build boats and vehicles. That's not all...from carnival rides to drawing machines, mechanical animals to truss bridges, your future engineer will build upon their creativity to solve real-world design challenges, while developing their problem-solving and team-building skills. Take home projects are provided each day, most of which are brick-based and can be used with LEGO® bricks at home. Let the tinkering begin!

**Appropriate for students entering grades 2 - 6**

© 2016 Mad Science Group Inc. All rights reserved.

LEGO, the LEGO logo, the Minifigure, MINDSTORMS and LEGOLAND are trademarks of the LEGO Group of companies which does not sponsor, authorize or endorse this offering.

### NASA: JOURNEY INTO OUTER SPACE

Kids start in the Earth's atmosphere and end up in the stars in this super sampler of space science. This voyage of discovery will explore planets, moons, comets, and other phenomena in our solar system. Come investigate our sun, and other stars and the galaxies they form. Build a Mad Science rocket and then design, build and launch your own version. Learn about the challenges of living in space and undergo astronaut training. Work with lenses and build a telescope. Discover technologies developed for use in outer space while navigating a laser maze. Campers will have lots of projects to make and take home including two rockets, space copter, meteorological station, star chart, and a telescope. Material developed by Mad Science in partnership with NASA.

**Appropriate for students entering grades 1 - 5**

### RADICAL ROBOTS 207 – NEW AND UPDATED!

Are you ready to take over the world with your cunning creations (Mwah Ha Ha Ha Ha! ), or would you like to design machines that can save the planet? Start here and train with other future roboticists. Explore the basic and complex technology used to design and build robots. Discover how machines and robots work and how they make our lives easier. Learn about simple machines, gear structure, gear ratios, battery wiring, motor principles, and electronic circuits. Experiment with different forms of locomotion, including wheels, legs, and "tracks" and even wind powered walking creatures. Learn about the programming of robots by designing and building a Lego Mindstorm creation. Campers will spend time each day building a robot that they take home at the end of the week. Groups will be separated into different age groups.

**Appropriate for students entering grades 2 - 6**

### SECRET AGENT LAB

Calling all agents! This camp is part forensics and part “spy science”. Step into the shoes of a detective—uncover the science involved in evidence gathering and analysis. Students will create, collect, and analyze evidence and discover what skills are necessary as a crime scene lab technician. They examine clues and get hot on the trail of a culprit, and then connect the dots using science to help solve a crime in a hands-on investigation. From edible messages and decoding clues, students will have the opportunity to check out some of the skills that spies must master as they journey into the world of espionage. Take home projects include an ultraviolet Fingerprint Finder kit, Spyglasses that let you secretly watch people who are behind you, Spy-noculars, a Secret Code Breaker, and an Inspecti-kit for evidence collection.

**Appropriate for students entering grades 2 - 6**

### MAD MACHINES & CRAZY CONTRAPTIONS

This inventor’s camp is designed by you—the Inventor! Each day you’ll be given a series of challenges which must be overcome using basic materials, simple machines, tips from world famous inventors and the most important thing of all – your mind. If you were stranded on a desert island how would you survive? You will need to build shelter, find food and purify water, protect yourself and your teammates from the elements and find a way off the island – or die trying (not really). Journey to the future and examine the ultramodern inventions of the 23rd century. Then design the future - today. “Create” mini-light sabers, “green energy”, and hovercraft. With a little bit of ingenuity you’ll construct catapults and forts and then lay siege, fabricate a winning Egg Drop design, construct a dancing robot. While Thomas Edison said invention is 10% inspiration and 90% perspiration...this camp is 100% fun!

**Appropriate for students entering grades 1 - 5**

### ANCIENT ADVENTURES & BURIED BONES

This is Mad Science’s archaeology/paleontology camp. Dig into the physical remains left behind by people and animals in the past. Cast a replica of a velociraptor skeleton, and identify ancient fossils - including some from the Hudson Valley! Delve into the mysteries of Ancient Egypt and the lost city of Pompeii. Explore the past by examining the objects that ancient peoples left behind. Mummify a mad scientist. Participate in a mock archaeological dig and assemble the pre-historic skeletal remains you uncover. Investigate the technologies used in the past and build your own monument. Decipher ancient languages and preserve genuine artifacts. You can even take home an actual Roman coin that is over a thousand years old!

**Appropriate for students entering grades 2 - 6**

### FRONTIER TRAVEL PROGRAM

The Frontier Travel Program (FTP) will be a new activity offered by the Orangetown Recreation Department offering a daily trip option the week of August 7th. # Town Parks & Open Space Areas

The following is a list of Town Parks and Open Space areas, as well as other facilities that the Town leases for park purposes, and a brief synopsis of what is available at each site.

**Azalea Court**—Undeveloped walk along the Naurauschaun Brook.

**Borst Gardens**—Gardens and apple orchard on property donated to the Town by Dr. Henry Borst. Suitable for picnicking and passive park activities.

**Braunsdorf**—Memorial park area in Pearl River, with monuments and sitting areas.

**Cherry Brook**—Adjacent to Franklin Avenue School, the site includes handball and tennis courts, as well as a multi-use asphalt court, children's play area and walking path.

**Clarke Trail**—A walking trail developed from abandoned rail line in the Town. It begins in Tappan, and runs through Sparkill, with a spur proceeding into Piermont and the main trail proceeding northwest through Orangeburg and into Blauvelt.

**DeMeola**—Leased from the South Orangetown School District, this site includes baseball and soccer fields.

**Elliott**—Passive parkland bordering Tackamack Park.

**Greenbush Center**—Playground and playfield located at the former Greenbush school.

**Independence**—Lighted tennis and basketball courts are the major feature of this site, which also includes a playground and paths.

**Kennedy-Reedy Fields**—Two ballfields on land leased from the South Orangetown School District. Named for two Town Police officers who died in the line of duty.

**Nike Site**—Hiking, open space and scenic views are the main features of this site, which formerly served as a Nike Hercules radar tracking station for the U.S. government. Includes 50 additional acres owned with Rockland County and Scenic Hudson.

**Pascack North and South**—Open space area along the Pascack Brook, preserved for fishing, walking and passive enjoyment.

**Pilgrim Court**—A children's play area and open play space are featured in this neighborhood park site.

**Return Home Park**—Dedicated in May 2005, this area is at the intersection of Bataan Road and Western Highway and features a monument and plantings dedicated to those who passed through Camp Shanks

**Schaefer**—An undeveloped 25 acre parcel, providing open space in a highly residential area.

**Schuyler**—Natural area adjacent to Blauvelt State Park.

**Shanks Memorial**—A memorial and sitting area commemorating Camp Shanks, featuring the Walkway of Heroes.

**Sparkill Memorial Park**—A veteran's monument and the DiFrancesca Playground are at this site, which adjoins the Town's Rail-Trail.

**Stoughton Park**—A small playground area located in the Tappan Military Housing restoration project.

**Tackamack North and South**—Open space which adjoins county and state parklands, and including a portion of the Long Path.

**Tappan**—Land leased from the South Orangetown School District, with a ballfield and playground area.

**Tappan Memorial**—A passive park with paths, benches and a pond area.

**Veteran's Memorial**—The Town's most active park site with athletic fields and courts, playgrounds, a concession stand, jogging paths and two ponds.

**Whitton Field**—A ballfield leased to the Town, located at Tappan Zee Elementary School.

## County Park Areas

**Clausland Mountain Park**—Hiking and Open space area, containing a portion of the Long Path

**Buttermilk Falls**—Open space area for hiking and passive enjoyment.

## State Park Areas

**Tallman Mountain**—Ballfields, swimming pool, hiking and scenic Hudson River vistas are available at this site.
