To All Filming Production Companies,

When filming in the Town of Orangetown, the following guidelines must be followed:

- Prior to the film permit getting signed, pictures of the signs (e.g., directional signs/parking signs, etc.) along with their location of placement, must accompany the permit.
- At the end of each day (if filming is not yet completed), the signs must be covered or removed.
- Once filming is completed, it is your responsibility to remove all signage pertaining to the filming, which includes crew directions/parking signs.

Thank you for your cooperation!
