POSTMASTER: DATED MATERIAL

# *A Message from the Supervisor*

Dear Residents:

After a long, difficult winter, it is nice to know that spring will soon be upon us. For those of us living in Orangetown, we are fortunate to have an extensive network of State, County, and Town parks, as well as hundreds of acres of land and many trails throughout the lower Hudson Valley.

With COVID-19 still affecting our daily lives, I want to thank the Parks and Recreation Department for their continued commitment to offering quality programs and services, and for maintaining the natural beauty of our parks and recreational resources, all while making every effort to keep us all safe.

From a variety of well-organized sporting programs to recreational classes, Orangetown provides a wide selection of fun family-oriented activities for children, adults, and seniors of all fitness levels. The town's mission remains to deliver quality, affordable programming within a safe environment to meet the needs of our community. I encourage all of you to look through the Spring Brochure to find an activity that interests you and, if you do not find one that does, please share with us your ideas for future programs.

The Town Board and I remain committed to expanding the recreational options for residents and continue to work towards providing a community center and upgraded playground at Veteran's Park. Those combined efforts will ensure that the recreational experience here in town is always improving.

So get out there and enjoy!

Sincerely,

**Teresa M. Kenny**  
*Town Supervisor*

We have yet to get the NYS guidelines and we are working with the local school districts to see if we have use of their buildings. We will post our camp program in May either in our Summer brochure or in a separate camp only version. Please continue to check our website and Facebook and Instagram pages for announcements about all upcoming programs.
