POSTMASTER: DATED MATERIAL
A Message from the Supervisor

Dear Residents:

After a long, difficult winter, it is nice to know that spring will soon be upon us. For those of us living in Orangetown, we are fortunate to have an extensive network of State, County, and Town parks, as well as hundreds of acres of land and many trails throughout the lower Hudson Valley.

With COVID-19 still affecting our daily lives, I want to thank the Parks and Recreation Department for their continued commitment to offering quality programs and services, and for maintaining the natural beauty of our parks and recreational resources, all while making every effort to keep us all safe.

From a variety of well-organized sporting programs to recreational classes, Orangetown provides a wide selection of fun family-oriented activities for children, adults, and seniors of all fitness levels. The town’s mission remains to deliver quality, affordable programming within a safe environment to meet the needs of our community. I encourage all of you to look through the Spring Brochure to find an activity that interests you and, if you do not find one that does, please share with us your ideas for future programs.

The Town Board and I remain committed to expanding the recreational options for residents and continue to work towards providing a community center and upgraded playground at Veteran’s Park. Those combined efforts will ensure that the recreational experience here in town is always improving.

So get out there and enjoy!

Sincerely,

Teresa M. Kenny
Town Supervisor
Registration Policy

Please take the time to read the information carefully so your registration is correctly processed. All registrations require payment in full in order to be processed. When registering this spring we highly recommend you sign-up to receive texts from our office which we will use only to release vital or fast approaching information. Your information will not be shared with any other organization. Online registration will end 3 days prior to the start of a program unless a program has filled up to allow for program administration decisions.

on-line registration

Since the Spring of 2019 the Office of Recreation and Parks has partnered with Community Pass as our recreation software package in order to better serve our residents. If you have registered with us over the last 24 months you already have an account. Our software contains all residential addresses in Orangetown, therefore, proof of residency will no longer be required. If you’re a resident and your address is showing as a non-resident, please contact the recreation office by email as soon as possible. First time registrants may visit our website and click on the on-line registration button in order to create a new household. The non-resident registration policy will still be in effect for non-resident households and they may only register 7 business days prior to the start of the program. The registration website is now located at www.orangetown.com/groups/department/parks and will be active at 6:00pm on Thursday, March 18th. On-line registration will end 3 days prior to the start of a program, unless a program has filled up, to allow for program administration decisions.

mail-in/walk in

Mail in registration must be postmarked March 18, 2021 or later. Mail received in this office postmarked prior to March 18th will be returned by mail to the registrant. Mail in registration will continue until the start of the program unless a program fills up. Due to the ongoing pandemic, walk-in registration has been suspended at this time.

wait-lists

Many of our programs will fill up. When that happens our software package includes an electronic wait list. If you register and are placed on a wait list, if a spot opens up the recreation database will automatically send you an email inviting you to join the class. Please check your email regularly for any emails regarding our programs

All registrants are advised that many programs have limited availability and registration is accepted on a first come first served basis. To better serve you, it is recommended that you use and familiarize yourself with the on-line system. The on-line system now accepts all major credit cards and you will receive an emailed receipt upon successful completion of your registration. If you register after the start of a program, you will be required to show your receipt to the instructor.

Mail-in registration forms are available in the back of the brochure. Mail-in registrations will be processed as soon as possible. If your registration is approved, you will receive an emailed receipt. Registrants that have conflicts will receive an email advising you of your registration status as well as requesting any additional information.
Refund Policy: Refunds will be considered only for medical purposes upon presentation of a physician's certificate, except in cases where a program is canceled by the Office of Recreation and Parks. Credits will be issued only prior to the start of a program. Credits or refunds will not be considered after the start of the program. Cancellations less than 5 business days prior to the start of a program will be assessed a $5.00 administrative fee.

**NON-RESIDENT POLICY**

2. Non-residents will be admitted on a restricted basis and only after Orangetown residents have had sufficient time to register.

**CORONAVIRUS GUIDELINES**

All youth and adult programming will include the following procedures to protect all involved in our programs. Every staff member and registrant will need to pass through a medical screening tent prior to the start of each program. The screening will include a temperature check and the checking for any signs of flu like symptoms. Staff and registrants are also required to immediately inform the Orangetown Parks & Recreation Office if they test positive or come in contact with anyone testing positive for Coronavirus, as well if they develop any flu like symptoms.
It has been past practice for our summer camp program to be listed here each year. Due to the continuation of the pandemic, we are still putting our program together. We have yet to get the NYS guidelines and we are working with the local school districts to see if we have use of their buildings. We will post our camp program in May either in our Summer brochure or in a separate camp only version. Please continue to check our website and Facebook and Instagram pages for announcements about all upcoming programs.
