TZHS PTSA PROJECT GRADUATION '21

February 2021

Dear Business Owner,

TZHS PTSA Project Graduation '21 marks the 30th anniversary of our annual supervised, substance free, celebration for the graduating Tappan Zee High School Seniors. This project involves community-wide support and financial assistance to reach a common goal: Providing a substance-free and safe environment to celebrate graduation.

Many other communities across the United States have hosted Project Graduations and in doing so, have reduced the chances of students being injured in alcohol or drug-related auto accidents.

Due to the COVID-19 Pandemic, the celebration is in the initial stages of planning and will follow recommended federal, state and local health and public safety guidelines for social gatherings. In 2020, due to social gathering limitations, we were able to apply the donated funds toward the purchase of raffle prizes for all members of the graduating class which were distributed at a Drive-In Movie Night. We also purchased and assembled goody bags containing custom designed t-shirts and Class of 2020 trinkets which were hand delivered to the students by TZHS staff members.

Project Graduation is organized by the PTSA with help from the Senior Class, School Administrators, Parents and Local Businesses and Organizations. To make this occasion a most memorable time for the students we need to ask you for your support and financial backing. We are asking you to consider a donation of money, prizes or gift certificates. Your donation is tax deductible. If you can assist us, please go to www.tappanzeehsptsa.com to donate online or complete the enclosed form and mail to:

If you have any questions, or would like to learn more, please do not hesitate to contact us directly.

Dear Supervisor Kenny and Town Board Members,

On behalf of the Nyack High School PTSA and senior class parent committee, I am writing today to request that the Town of Orangetown consider continuing to support Nyack High School's senior class activities. While an in-person Project Graduation event is still not possible this year due to Health Department requirements prompted by the Covid-19 pandemic, we are organizing an alternative Senior Field Day for our Class of 2021. We will attempt to make this event as festive as possible while adhering to all appropriate social distancing guidelines. Your support would be, as it has always been, very much appreciated.

Sincerely,

Dear Mr. Dean,

This letter is being presented to you on behalf of the American Cancer Society's 2021 Relay for Life of Rockland County, which will be held on as a "drive-in" event on Saturday, June 12 in the Central Lot of the Pfizer facility in Pearl River.

As you may recall, Relay for Life is typically an all-day event that takes place in many communities across the country. Teams from businesses, schools and communities come together in support of the fight against cancer. Teams take turns walking around a track and participate in activities, entertainment and ceremonies in which we honor and remember those who have fought cancer. The dollars raised through Relay for Life fund the American Cancer Society's vital cancer research, education, advocacy and patient service programs to defeat this disease. This year, because of the COVID-19 pandemic, we will be holding Relay as a "drive-in" event in which we will be replicating as much as possible of the traditional event, while requiring social distancing and other safe-guards to keep our participants safe.

An outline of the event follows below and attached is a location map and a list of items we anticipate needing from the Town of Orangetown Highway Department. We appreciate the loan of these items and whatever else you might suggest to make this a safe and successful event.

Thank you for your support in previous years and thank you in advance for your support this year. If you have any questions, please do not hesitate to contact me by telephone at (845) 348-0592 or by e-mail at jjmanna1212@gmail.com.

Dear Supervisor Kenny and Members of the Town Board,

The St. Charles AME Zion Church respectfully requests assistance from the Highway and Police Departments to close down part of Valentine Avenue in Sparkill between Union Street and William Street for the Reverend Sanders Road Dedication and Memorial Service taking place on Sunday, June 13, 2021 from 3 pm - 5 pm.

We will need barricades, detour signs, 10 “no parking” cones from the Highway Department (please see attached map). In addition, we would also need police assistance at the road closure points and to help detour traffic.

We plan to ask the Christ Episcopal Church and Sparkill-Palisades Fire Department for use of their parking lots in addition to our parking lot. To allow parking on only one side of New Street, we would need 10 “no parking” cones. We would also suggest making New Street a one-way to make sure Emergency Vehicles can get through.

Thank you so much for your time and consideration of this very special ceremony.

Sincerely,

Brandon D. McLauchlin
