A Message from the Supervisor

Once again, Orangetown's Parks and Recreation staff have gone above and beyond in putting together another spring program. Look for programs to incorporate the new exercise equipment that surrounds the pond at Veterans, as well as a wide selection of fun family-orientated activities. There will be trips to plan, sporting programs to register for, as well as recreational classes to attend. For those who are a bit more adventurous, Coach Hudson will be offering hiking trips for all levels.

As always, our mission is to continuously strive to deliver quality, affordable programming within a safe environment to meet the needs of an ever-growing and changing community.

Make sure to note when registration opens. You don't want to be shut out of your favorite activities.

Get out there and enjoy!

Sincerely,

Teresa M. Kenny

David Torres, Senior Recreation Supervisor

Meet Our New Senior Recreation Supervisor

After over 30 years of service to the Town of Orangetown, Mark Albert has retired from his position within the Parks and Recreation Department. David Torres, our new Senior Recreation Supervisor who came aboard this January, has written a brief introduction below.

My family was very involved in community service growing up, volunteering at fundraisers and park cleanups. I later volunteered as a soccer referee during high school, student assistant for Tae Kwon Do classes, and setting up for town events for our recreation center before landing my first paid job as the manager of their table tennis club. I was later given the opportunities to become their Basketball League Coordinator, and STEM instructor for summer camp. Like many college students, I had no idea what I wanted my career to be, but I eventually realized that I had gained a passion for planning and management in community recreation thanks to these opportunities. I transferred to Kean University and worked my way up to Program Director for the Leonia Recreation Department while attending graduate school online through Clemson University. I am thrilled to work in a town with such gorgeous parks and look forward to putting together new programs and events for the residents of Orangetown.

Swim Program Notice

Due to repair work requiring New York State Education Department review and approval, the pool at South Orangetown Middle School will be closed for the remainder of the school year. The District anticipates that it will receive NYSED approval in the spring, allowing for repairs to be completed during Summer 2023. Updates will be communicated to our community as this work moves forward.

Debido a trabajos de reparación que requieren la revisión y aprobación del Departamento de Educación del Estado de Nueva York, la piscina de la escuela secundaria South Orangetown estará cerrada por el resto del año escolar.
