

December 2023

Dear South Nyack Residents:

On January 23, 2024, at 7:10 pm, the Town of Orangetown will be continuing the public hearing on a proposed local law to update the Town Code and address parking issues in the Hamlet of South Nyack. A copy of a draft of the local law can be found on the Town's website, at www.orangetown.com or scan the QR code below.

The Town has been exercising enforcement discretion while the new law is under consideration, however, due to the impending winter weather, the Orangetown Police will again commence enforcement of the existing parking laws which remain in effect from the former Village of South Nyack. Pursuant to the existing Section 310-4 of the South Nyack Code, no vehicles will be allowed to park on any public street at any time between 3:00 am and 6:00 am.

Parking permits are available for purchase at the Brookside Avenue municipal parking lot. Permits are available on a first come, first served basis. To purchase a permit, please contact the Town Clerk's office at 845-359-5100 x5004.

Very truly yours,

Supervisor Teresa M. Kenny
Town of Orangetown
