H=Holiday-Green Waste Schedule Resumes On Tuesday

2024 GREEN WASTE REMOVAL PROGRAM

The Town of Orangetown Highway Department has scheduled its 2024 Green Waste Removal Program. The Town is divided into five geographic sections. This Program will allow for seven pick-ups per section between March 4th and October 28th.

- The 2024 Green Waste Program will begin in **SECTION 1**
- Please note your 2024 Green Waste Schedule revisions.
- Pick-up will begin on **Mondays** within each section. If a holiday falls on a Monday, pick-up will begin on Tuesday.
- Once your street has been picked up, we will not return until the next scheduled pick-up date.
- The Highway Department does not pick up grass clippings and thatch. You may bring grass clippings and thatch to the “Drop-Off Center.” **“Drop-Off Center” Resident Permit Required.**
- Leaves and yard debris must be in biodegradable bags.
- Branches must be no longer than 5 feet in length and neatly stacked.
- Logs may not be larger than 36” in diameter.
- Stumps must be clean of dirt and rocks and will be collected during your scheduled pick-up.
- Your Green Waste material must be placed curbside, in front of your house, NOT on the paved road surface.
- Green Waste material should be put out no sooner than five days prior to each scheduled pick-up date, and no later than 7 A.M. of the scheduled Monday morning.
- Use biodegradable bags, not plastic bags. The Orangetown Highway Department, in conjunction with Rockland Green, (formerly the Rockland County Solid Waste Management Authority), supplies Biodegradable paper bags for green waste, **FREE!** Using these biodegradable bags in place of plastic bags helps the environment and expedites our pick-up procedure. You may pick up the biodegradable bags at the Orangetown Highway Department Administration Office, Monday through Friday, 7 A.M. to 4 P.M. and Town Hall, during their normal working hours.
- All Green Waste materials collected through recycling become mulch or compost and are available, **FREE**, to Orangetown residents for their personal use at our “Drop-Off” Center.

“DROP-OFF” CENTER RESIDENT PERMIT INFORMATION & HOURS OF OPERATION

Residents may apply for the “Drop-Off” Center Resident Permit at the Highway Department Administrative Office. Please be advised the Highway Dept. Administrative Office is open Monday thru Friday, 7:00 AM to 4:00 PM. We encourage your cooperation, as it helps us improve our service to you.

Please Note the New 2024 “Drop-Off” Center Days and Hours Of Operation below. For a complete schedule of dates and observed holidays please visit the Highway Department’s webpage the Town’s website at www.orangetown.com.

“DROP-OFF” CENTER HOURS OF OPERATION

8:00 AM – 4:00 PM – MONDAY*, WEDNESDAY* & FRIDAY*

7:30 AM – 2:30 PM – 3RD SATURDAY OF THE MONTH

***PLEASE REFER TO “DROP-OFF” CENTER CALENDAR FOR OBSERVED HOLIDAYS**

ORANGETOWN HIGHWAY DEPARTMENT GREEN TEAM

Dear Resident, Water is one of our greatest natural resources. We take it for granted but it is essential to life. Many people do not think twice about throwing garbage out of their car window, or piling green waste and leaves on a storm drain. The general perception is that it will go down the “sewer” and get processed at the sewer treatment plant. However, these “sewers” are actually storm drains and they provide routes for rainwater to flow away from the streets and prevent flooding. The storm drains lead directly into streams, rivers and lakes.

It is for this reason that the Orangetown Highway Department has developed its Clean Streets-Clean Streams Campaign. This slogan encompasses all of our efforts. It is the driving force behind our snow and ice control policy, our Green Waste Removal Schedule and our Fall Leaf Pick-Up Program.

The Highway Department has also established a **Green Team** which offers concerned residents an opportunity to help us in this matter. The following programs are some ways you may get involved:

Adopt-A-Road

The Town of Orangetown Adopt-A-Road Program is a litter-reduction campaign designed to remove litter and debris from the Town roads and improve the environment. The program establishes a partnership between local business, volunteer groups and the Town of Orangetown Highway Department by working together in the efforts of litter control along Town roads. As a sponsor, your group will receive a safety orientation and equipment from our coordinator, two Adopt-A-Road signs located at either end of the adopted road section, the opportunity to contribute to community beautification and recognition for a job well done.

Adopt-A-Spot

The Town of Orangetown Adopt-A-Spot Program enables neighborhood groups, individuals, scouts, churches and other small organizations to maintain various areas within the Town such as historical monuments, an intersection, landscaped traffic islands and even a single lot on your street. Volunteers perform routine maintenance such as mowing, weeding, planting, and minor repair. The Town will supply materials and place a sign with you or your organization’s name at the adopted spot.

For applications or more information on these or any other programs, please call 359-6500 or visit us online at the Town’s website at www.orangetown.com

TOWN OF ORANGETOWN
A Keep Rockland Beautiful Community
Volunteers are needed for Spring and Fall Cleanup
Call KRB at 708-9164

NO MATERIAL OF ANY TYPE SHOULD BE PLACED ON THE PAVED ROADWAY

Help to avoid hazardous pedestrian and vehicle traffic conditions; **do not block streets, sidewalks or intersections.** Prevent flood damage and help protect our local water quality by preventing debris from flowing into our drainage system. If you wish to dispose of your **Green Waste**, instead of waiting for your scheduled pick-up date, you may bring it to the Orangetown Highway Department “Drop-Off Center.”

To Report An Illicit Discharge, Please Call the “Illicit Discharge Hotline” at 845-359-6502

An illicit discharge is an unlawful act of disposing, dumping, spilling, emitting, or other discharge of any substance other than stormwater into the storm drain system; such as catch basins, yard inlet, or lakes and streams.
