8. Liability; Indemnification. The LESSOR shall in no way be liable for any personal injuries (including death) or property damage caused by or resulting from the use of the Premises by the LESSEE, or the LESSEE's employees, agents, visitors, or contractors. The LESSEE shall indemnify, defend, and save the LESSOR harmless from and against any and all liability, claims, damages, expenses, fees, penalties, legal proceedings, and causes of action of every kind, including the LESSOR's costs and reasonable attorneys' fees, incurred as a result of any breach by the LESSEE of any covenant of this Lease, or as a result of the LESSEE's use of the Premises, or the acts or omissions of the LESSEE, or the LESSEE's employees, agents, visitors, or contractors; provided, however, that the obligation of the LESSEE to indemnify shall not extend to the willful misconduct or negligent behavior of the LESSOR, or the LESSOR's employees, agents, or representatives.

9. Insurance. The Lessee shall maintain adequate levels of insurance with respect to its obligations under paragraph 8 and the Lessor shall be an additional insured under any policy of insurance which covers the Lessor under this Agreement.

11. LESSOR's Right of Access. The LESSOR, or the LESSOR's employees or agents, shall have the right to enter the Premises in a reasonable manner upon reasonable advance notice to the LESSEE to inspect the Premises or to conduct surveys, testing, or studies in connection with any engineering, design, financing, or permitting activities related to potential development of the Premises; provided, however, that no notice will be required in emergency circumstances where it is impractical to provide the LESSEE with advance notice. The LESSOR shall use reasonable efforts to minimize any disruption of the LESSEE's activities.

12. The Lessor may utilize the parking area on weekends and holidays for vehicle parking only.

13. Termination. This agreement may be terminated by either or both parties, with or without cause, on at least thirty (30) days advance written notice. As the TOWN has incurred costs and dedicated a great deal of time and expense relating to the construction of the parking lot on the LESSOR's land, in the event of any early termination by the LESSOR, the LESSOR shall repay the LESSEE for a prorated share of all costs expended by LESSEE relating to the construction of the parking lot on said property.

On the expiration of the Term, or any earlier termination of this Lease, the LESSEE shall: (a) in a timely manner vacate the Premises; and (b) repair all damage to the Premises caused by the LESSEE's removal of its equipment and property from the Premises. WHEREAS, both the County and the Town are municipal corporations as defined by Section 119-n of Article 5-G of the General Municipal Law (“GML”) of the State of New York;

WHEREAS, Section 119-o of Article 5-G of the GML of the State of New York authorizes municipal corporations to contract to perform together that which each is authorized to perform individually, provided that any such agreement to do so “be approved by each participating municipal corporation” “by a majority vote of the voting strength of its governing body”;

WHEREAS, on the _____ day of _____, 2025, the Town Board of the Town, by Resolution No. _____ of 2025, approved this Agreement and authorized its execution by its Supervisor; and

WHEREAS, on the 6th day of May 2025, the Legislature of Rockland County, by Resolution No. 254 of 2025, approved this Agreement and authorized its execution by the County Executive.

NOW, THEREFORE, the parties agree as follows:

1. **SERVICES**: The Town shall render and perform services for and to the County and its Department of Public Transportation, for the construction of the Sparkill Park and Ride Facility attached as Schedule A, and the Itemized Reimbursement attached as Schedule B (“Services”). The Town represents and warrants to the County that its employees, agents, and servants possess all the skills, experience, expertise, and independence to render these services to the County.
2. **TERM**: The Town shall perform the Services from May 1, 2025, through April 30, 2030 (“Term”).
3. **PAYMENT**: The County agrees to pay the Town Nine Hundred Sixty-Nine Thousand Dollars and 00/100 (\$969,000.00). The Town agrees that this compensation shall be solely and exclusively used to reimburse the Town for the construction and inspection costs to build the Sparkill Park and Ride Facility, located at 650 NY Route 340, Sparkill, NY 10976, which will have a minimum useful life of twenty (20) years from the start date determined by the Commissioner of Public Transportation once construction is completed.
4. **INDEPENDENT CONTRACTOR**: The Town is an independent contractor and covenants and agrees that it, its agents, servants, and/or employees, will neither hold itself/themselves out as, nor claim to be an employee, servant, or agent of the County and that it, its agents and employees will not make a claim, demand or application to or for any right or

privilege applicable to an officer or employee of the County including, but not limited to, Workers' Compensation coverage, unemployment insurance benefits, Social Security coverage or retirement membership or credit.

5. **INSURANCE REQUIREMENTS:** The Town shall, at its own cost and expense, procure and maintain insurance to cover the work relating to the Services, its employees, agents, and servants under the terms of this Agreement, including:

5.1 {X} A checkmark in the boxes below indicates that the type of insurance specified is required.

- B. {X} Automobile Liability Insurance, not less than \$1,000,000 (One Million) Combined Single Limit for each accident
- C. {X} Excess Umbrella Liability Insurance not less than \$1,000,000 (One Million) for each occurrence over General Liability, Employers' Liability (if not unlimited on the Workers' Compensation policy), Auto Liability and Professional Liability, if required, and a general aggregate not less than \$1,000,000 (One Million)
- D. {X} Workers' Compensation and Employers' Liability Insurance per the statutory requirements of the New York State Workers' Compensation Law
- E. {X} Disability Insurance per the provisions and requirements of the New York State Disability Law
- F. {} Professional Liability Insurance (or Errors and Omissions or Malpractice) not less than \$1,000,000 (One Million) for each claim, or if not included on the excess umbrella, the limits should equal \$1,000,000 (One Million) plus the required excess limit
- G. {X} All other insurance as required by law.

5.2 The Town warrants and represents to the County that it has sufficient funds to satisfy the amount of the self-insured retention limit (deductible) required of each liability policy as it applies to this Agreement and that said amount is available to settle, compromise or pay any suit or claim for negligence, gross negligence, medical malpractice or intentional acts or omissions made against it and arising out of or during the Term. At the County's request, the Town shall provide proof or guarantee of financial responsibility as it deems necessary.

5.3 When the Town signs and returns this Agreement, the Town shall provide the County with a policy endorsement showing the above-required insurance. The County of Rockland, including its officials and employees, shall be named as an additional insured on general liability insurance policies and policy endorsements, and the policies and policy endorsements shall provide that the insurance shall not be canceled or terminated without thirty (30) days prior written notice to the County. Unless and until the Town obtains such

insurance and provides a policy endorsement to the County, this Agreement shall not be effective, and no monies shall be paid or given to the Town.

6. **INJURY, PROPERTY DAMAGE:** The Town shall be responsible for all damages and injury to life and property due to, or resulting from, the negligent acts of the Town, its employees, agents, and employees in connection with this Agreement.

7. **INDEMNIFY AND HOLD HARMLESS:** The Town agrees to defend, indemnify and hold harmless the County and its respective officers, employees, and agents from and against all claims, actions, and suits and shall defend the County and its respective officers, employees, and agents, at its own cost and no cost to the County, in any suit, action or claim, including appeals, for personal injury to, or death of, any person, or loss or damage to property arising out of, or resulting from, the negligent acts of the Town to the fullest extent permitted by law. These indemnification provisions are for the protection of the County and its respective officers, employees, and agents only and shall not establish, of themselves, any liability to third parties. The provisions of this section shall survive the expiration or termination of this Agreement, whichever occurs sooner.

8. **RECORD KEEPING AND AUDIT:** The Town shall maintain records of all its financial transactions, including all expenses and disbursements, and all other documentation and communications which relate to this Agreement or the performance of its obligations. Financial records shall be kept per GAAP (Generally Accepted Accounting Practices) and the County record-keeping requirements, and each transaction shall be documented. Any such records shall be made available to the County for inspection or audit upon demand. No compensation or fee for Services shall be due to the Town unless or until any financial statements demanded by the County Department of Finance have been provided, or such other documents or information required to be produced by the County are required to be provided. This Section 8 shall survive the cancellation, termination, or expiration of this Agreement, or the date of the last payment tendered, whichever occurs latest, by six (6) years.

9. **LIABILITY ONLY FOR MONIES BUDGETED:** This Agreement shall be deemed executory to the extent that the monies are appropriated in the current budget of the County for this Agreement, and the County shall incur no liability, or any department, beyond the monies budgeted and available for this purpose. The Agreement is not a general obligation of the County. Neither the full faith and credit nor the taxing power of the County is pledged to the payment of any amount due or to become due under this Agreement. It is understood that neither this Agreement nor any representation by any County employee or officer creates any obligation to appropriate or make monies available for the Agreement. This Agreement shall not be effective unless the monies to be paid hereunder by the County are appropriated in the County's budget.

10. **NO ASSIGNMENT:** The Town shall not assign, sublet or transfer or otherwise dispose of its interest in this Agreement without the prior written consent of the County.

11. **LAWS OF THE STATE OF NEW YORK:** This Agreement shall be governed by the Laws of the State of New York.

12. **LABOR LAW AND EXECUTIVE LAW:** The Town shall comply with all of the provisions of the Labor Law of the State of New York, including, but not limited to, prevailing wage provisions if required by law and with Article 15 of the Executive Law of the State of New York relating to unlawful discriminatory practices insofar as the provisions applicable to the Services.
13. **LOCAL LAWS AND RESOLUTIONS:** The Town shall comply with all local laws and resolutions of the Legislature of Rockland County, including, but not limited to, filing of Disclosure Statements and Affirmative Action Plans if required by law or resolution.
14. **APPROVAL OF FEDERAL, STATE, AND LOCAL AGENCY:** Notwithstanding any other provisions of this Agreement, the County shall not be liable for any payment or compensation to the Town until the Services rendered by the Town meet the approval and standards of any other Federal, State or local agency, authority, commission or body, which has jurisdiction over the and provides funding in whole or in part for the Services.
15. **COMPLIANCE WITH AMERICANS WITH DISABILITIES ACT OF 1990:** The Town agrees to comply with the Americans with Disabilities Act of 1990, as in effect at any given time, prohibiting discrimination based on disability concerning employment policies and procedures, structural and program accessibility, transportation, and telecommunications.
16. **TERMINATION/AMENDMENT:** This Agreement may be terminated or amended on at least thirty (30) days advance written notice by the County. In the event of a termination by the Town before the minimum useful life of twenty (20) years is met, the Town shall pay the County a prorated share of all costs related to construction of the Sparkill Park and Ride Facility, attached hereto as Schedule A for the construction of the Sparkill Park and Ride Facility located at 650 NY Route 340, Sparkill, NY 10976, performed under separate agreement between the Town and County, based on the twenty (20) year minimum useful life straight line depreciation schedule attached hereto as Schedule B for the Itemized Reimbursement.
17. **ENTIRE AGREEMENT/NO MODIFICATION:** This Agreement constitutes the entire agreement between the parties and supersedes all prior negotiations, representations, or agreements, either oral or written, and may not be modified except by writing signed by the parties.
18. **CONSENT TO JURISDICTION AND FORUM SELECTION:** The parties hereto agree that all actions or proceedings arising in connection with this Agreement shall be tried and litigated exclusively in the Supreme Court of the State of New York for the County of Rockland or the United States District Court for the Southern District of New York located in White Plains, County of Westchester, New York. The parties intend this choice of venue to be mandatory and not permissive in nature, thereby precluding the possibility of litigation between the parties concerning or arising out of this Agreement in any jurisdiction other than that specified in this paragraph. Each party waives any right it may have to assert the doctrine of forum non conveniens or similar doctrine or to object to venue concerning any proceeding brought in accordance with this paragraph and stipulates that the State mentioned above, and

federal courts shall have in personam jurisdiction and venue over each of them to litigate any dispute, controversy, or proceeding arising out of or related to this Agreement. Each party authorizes and accepts service of process sufficient for personal jurisdiction in any action against it as contemplated by this paragraph by certified mail, return receipt requested, postage prepaid, to its address for the giving of notices as detailed in this Agreement. Any final judgment rendered against a party in any action or proceeding shall be conclusive as to the subject of such final judgment and may be enforced in other jurisdictions in any manner provided by law.

19. **STANDARD CLAUSES FOR NEW YORK STATE FUNDED CONTRACTS:** The attached hereto Appendix A, Appendix A-1 and Appendix B are part of this Agreement.

20. **EXECUTION:** This Agreement may be signed in counterparts. Electronic signatures are acceptable.

IN WITNESS WHEREOF, the parties have executed this Agreement on the day, and year first written above.

STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "the contract" or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State, whether a contractor, licenser, licensee, lessor, lessee or any other party):

1. EXECUTORY CLAUSE. In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. NON-ASSIGNMENT CLAUSE. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. COMPTROLLER'S APPROVAL. In accordance with Section 112 of the State Finance Law (or, if this contract is with the State University or City University of New York, Section 355 or Section 6218 of the Education Law), if this contract exceeds \$50,000 (or the minimum thresholds agreed to by the Office of the State Comptroller for certain S.U.N.Y. and C.U.N.Y. contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$10,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services is required when such contracts exceed \$85,000 (State Finance Law Section 163.6-a). However, such pre-approval shall not be required for any contract established as a centralized contract through the Office of General Services or for a purchase order or other transaction issued under such centralized contract.

4. WORKERS' COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this

contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, sex (including gender identity or expression), national origin, sexual orientation, military status, age, disability, predisposing genetic characteristics, marital status or domestic violence victim status. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of

any State approved sums due and owing for work done upon the project.

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. GOOD FAITH EFFORT DOCUMENTATION GUIDE

To be responsible and/or responsive a Bidder must, make good faith efforts to meet the goal(s). The Bidder can meet this requirement at award/designation in two ways:

1. The Bidder documents commitments to meeting the goal at award/designation.
2. If the Bidder does not document commitments to meeting the goal at award/designation, the Bidder must provide detailed evidence of GFE.

Pre-Letting Good Faith Efforts by a Contractor

Examples of GFE could include:

1. Analyze each item in the scope of work for a project and determine what items of work will provide subcontracting opportunities;
2. Search the appropriate UCP Directory for DBE or the M/WBE Directory of certified firms to find firms that can perform the work identified. Tailor the search to those firms with business descriptions or NAICS codes that are most appropriate for the work identified.
3. Notify those firms of your intent to bid via email and telephone, requesting written feedback on their interest in possible participation; and
 - Submit this information as supporting documentation during pre-award/designation evaluation if you fail to achieve the goal(s), i.e. a list of all the firms contacted **and** the results of these contacts (no response after XX days, non-working contact information, not interested, etc.).
4. If the contract is awarded to the Bidder based upon GFE made towards reaching the goal, the GFE towards reaching the goal should continue throughout the life of the contract.

Pre-Award Good Faith Efforts by the Low Bidder:

If the Bidder did not meet the goal(s) at award/designation, the bidder must provide detailed evidence of GFE.

Yes (X)	No (X)	Evidence of GFE
		AAP-10 Solicitation log: This log should list only those firms that were directly solicited. (do not list mass emailing's performed) . Low Bidder outreach should be narrowly focused, targeted and result oriented.
		AAP-19 – Schedule of Utilization: This form must list only certified firms where a commitment was made. Certification status and scope of work must have been verified via appropriate registry.
		AAP-20 – Utilization Worksheet: One form for each firm listed on the AAP-19 with all appropriate signatures and required information completed
		Provide documentation to show sincere efforts were taken; <ol style="list-style-type: none"> a. Copies of emails that show "direct" scope of what you solicited the subcontractor/supplier, fabricator, etc. to do or provide and their responses; b. Date, time and contact person for required follow up telephone contact; c. Copy of faxes if applicable, detailing firm name and specific need from that firm; d. Copies of documentation showing negotiations took place between

		low bidder and prospective subcontractor or other (supplier, manufacturer, fabricator, etc.);
		e. Copies of ads places for solicitation
		f. Evidence that off-site firms and services were entertained (e.g., material suppliers, trucking, fabricator, manufacturer, broker)
		g. Copies of quotes received when a specific scope of work was given to a non-Certified firm versus a certified firm (when certified firm's quote was deemed unreasonable or excessive)
		h. Detailed explanation for any scope deemed "self-performing", without the intent to split the work (when there was DBE or MWBE availability and goal has not been met)

Examples of insufficient/unacceptable documentation includes:

- "In-house" generated lists that do not include MWBE or DBE targets.
- "In-house" generated lists that do not identify firms for specific work items or description being solicited.
- Copies of redundant emails to firms containing identical language.
- Unsubstantiated response of non-interest from DBE or MWBE firms.

5.3 When the Town signs and returns this Agreement, the Town shall provide the County with a policy endorsement showing the above-required insurance. The County of Rockland, including its officials and employees, shall be named as an additional insured on general liability insurance policies and policy endorsements, and the policies and policy endorsements shall provide that the insurance shall not be canceled or terminated without thirty (30) days prior written notice to the County. Unless and until the Town obtains such insurance and provides a policy endorsement to the County, this Agreement shall not be effective, and no monies shall be paid or given to the Town.

8. **RECORD KEEPING AND AUDIT:** The Town shall maintain records of all its financial transactions, including all expenses and disbursements, and all other documentation and communications which relate to this Agreement or the performance of its obligations. Financial records shall be kept per GAAP (Generally Accepted Accounting Practices) and the County record-keeping requirements, and each transaction shall be documented. Any such records shall be made available to the County for inspection or audit upon demand. No compensation or fee for Services shall be due to the Town unless or until any financial statements demanded by the County Department of Finance have been provided, or such other documents or information required to be produced by the County are required to be provided. This Section 8 shall survive the cancellation, termination, or expiration of this Agreement, or the date of the last payment tendered, whichever occurs latest, by six (6) years.

9. **LIABILITY ONLY FOR MONIES BUDGETED:** This Agreement shall be deemed executory to the extent that the monies are appropriated in the current budget of the County for this Agreement, and the County shall incur no liability, or any department, beyond the monies budgeted and available for this purpose. The Agreement is not a general obligation of the County. Neither the full faith and credit nor the taxing power of the County is pledged to the payment of any amount due or to become due under this Agreement. It is understood that neither this Agreement nor any representation by any County employee or officer creates any obligation to appropriate or make monies available for the Agreement. This Agreement shall not be effective unless the monies to be paid hereunder by the County are appropriated in the County's budget.

10. **NO ASSIGNMENT:** The Town shall not assign, sublet or transfer or otherwise dispose of its interest in this Agreement without the prior written consent of the County.

11. **LAWS OF THE STATE OF NEW YORK:** This Agreement shall be governed by the Laws of the State of New York.

12. **LABOR LAW AND EXECUTIVE LAW:** The Town shall comply with all of the provisions of the Labor Law of the State of New York, including, but not limited to, prevailing

14. **APPROVAL OF FEDERAL, STATE, AND LOCAL AGENCY**: Notwithstanding any other provisions of this Agreement, the County shall not be liable for any payment or compensation to the Town until the Services rendered by the Town meet the approval and standards of any other Federal, State or local agency, authority, commission or body, which has jurisdiction over the and provides funding in whole or in part for the Services.

16. **TERMINATION/AMENDMENT**: This Agreement may be terminated or amended on at least thirty (30) days advance written notice by the County. 17. **ENTIRE AGREEMENT/NO MODIFICATION**: This Agreement constitutes the entire agreement between the parties and supersedes all prior negotiations, representations, or agreements, either oral or written, and may not be modified except by writing signed by the parties.

18. **CONSENT TO JURISDICTION AND FORUM SELECTION**: The parties hereto agree that all actions or proceedings arising in connection with this Agreement shall be tried and litigated exclusively in the Supreme Court of the State of New York for the County of Rockland or the United States District Court for the Southern District of New York located in White Plains, County of Westchester, New York. The parties intend this choice of venue to be mandatory and not permissive in nature, thereby precluding the possibility of litigation between the parties concerning or arising out of this Agreement in any jurisdiction other than that specified in this paragraph. STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, “the contract” or “this contract”) agree to be bound by the following clauses which are hereby made a part of the contract (the word “Contractor” herein refers to any party other than the State, whether a contractor, licenser, licensee, lessor, lessee or any other party):

1. EXECUTORY CLAUSE. In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. NON-ASSIGNMENT CLAUSE. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State’s previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller’s approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor’s business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State’s prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. COMPTROLLER’S APPROVAL. In accordance with Section 112 of the State Finance Law, if this contract exceeds \$50,000 (or \$75,000 for State University of New York or City University of New York contracts for goods, services, construction and printing, and \$150,000 for State University Health Care Facilities) or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$25,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller’s approval of contracts let by the Office of General Services, either for itself or its customer agencies by the Office of General Services Business Services Center, is required when such contracts exceed \$85,000. Comptroller’s approval of contracts established as centralized contracts through the Office of General Services is required when such contracts exceed \$125,000, and when a purchase order or other procurement transaction issued under such centralized contract exceeds \$200,000.

4. WORKERS’ COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers’ Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment, nor subject any individual to harassment, because of age, race, creed, color, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, sex, disability, predisposing genetic characteristics, familial status, marital status, or domestic violence victim status or because the individual has opposed any practices forbidden under the Human Rights Law or has filed a complaint, testified, or assisted in any proceeding under the Human Rights Law. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor’s employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in

accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2 NYCRR § 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

10. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, the "Records"). The Records

must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION. (a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN.

In accordance with Section 312 of the Executive Law and 5 NYCRR Part 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of \$100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of \$100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Section 312 does not

apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this clause. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

13. CONFLICTING TERMS. In the event of a conflict between the terms of the contract (including any and all attachments thereto and amendments thereof) and the terms of this Appendix A, the terms of this Appendix A shall control.

16. NO ARBITRATION. Disputes involving this contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

In addition to the methods of service allowed by the State Civil Practice Law & Rules ("CPLR"), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

18. PROHIBITION ON PURCHASE OF TROPICAL HARDWOODS. The Contractor certifies and warrants that all wood products to be used under this contract award will be in accordance with, but not limited to, the specifications and provisions of Section 165 of the State Finance Law, (Use of Tropical Hardwoods) which prohibits purchase and use of tropical hardwoods, unless specifically exempted, by the State or any governmental agency or political subdivision or public benefit corporation. Qualification for an exemption under this

law will be the responsibility of the contractor to establish to meet with the approval of the State.

In addition, when any portion of this contract involving the use of woods, whether supply or installation, is to be performed by any subcontractor, the prime Contractor will indicate and certify in the submitted bid proposal that the subcontractor has been informed and is in compliance with specifications and provisions regarding use of tropical hardwoods as detailed in § 165 State Finance Law. Any such use must meet with the approval of the State; otherwise, the bid may not be considered responsive. The Omnibus Procurement Act of 1992 (Chapter 844 of the Laws of 1992, codified in State Finance Law § 139-i and Public Authorities Law § 2879(3)(n)-(p)) requires that by signing this bid proposal or contract, as applicable, Contractors certify that whenever the total bid amount is greater than \$1 million:

(a) The Contractor has made reasonable efforts to encourage the participation of New York State Business Enterprises as suppliers and subcontractors, including certified minority- and women-owned business enterprises, on this project, and has retained the documentation of these efforts to be provided upon request to the State;

(b) The Contractor has complied with the Federal Equal Opportunity Act of 1972 (P.L. 92-261), as amended;

(c) The Contractor agrees to make reasonable efforts to provide notification to New York State residents of employment opportunities on this project through listing any such positions with the Job Service Division of the New York State Department of Labor, or providing such notification in such manner as is consistent with existing collective bargaining contracts or agreements. The Contractor agrees to document these efforts and to provide said documentation to the State upon request; and

(d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with the State in these efforts.

21. RECIPROCITY AND SANCTIONS PROVISIONS. Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively, codified in State Finance Law § 165(6) and Public Authorities Law § 2879(5)) require that they be denied contracts which they would otherwise obtain. NOTE: As of May 2023, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii.

22. COMPLIANCE WITH BREACH NOTIFICATION AND DATA SECURITY LAWS. Contractor shall comply with the provisions of the New York State Information Security Breach and Notification Act (General Business Law §§ 899-aa and 899-bb and State Technology Law § 208).

23. COMPLIANCE WITH CONSULTANT DISCLOSURE LAW. If this is a contract for consulting services, defined for purposes of this requirement to include analysis, evaluation, research, training, data processing, computer programming, engineering, environmental, health, and mental health services, accounting, auditing, paralegal, legal or similar services, then, in accordance with Section 163 (4)(g) of the State Finance Law (as amended by Chapter 10 of the Laws of 2006), the Contractor shall timely, accurately and properly comply with the requirement to submit an annual employment report for the contract to the agency that awarded the contract, the Department of Civil Service and the State Comptroller.

24. PROCUREMENT LOBBYING. To the extent this agreement is a “procurement contract” as defined by State Finance Law §§ 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law §§ 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

25. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS.

To the extent this agreement is a contract as defined by Tax Law § 5-a, if the contractor fails to make the certification required by Tax Law § 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law § 5-a, discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

26. IRAN DIVESTMENT ACT. By entering into this Agreement, Contractor certifies in accordance with State Finance Law § 165-a that it is not on the “Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012” (“Prohibited Entities List”) posted at: <https://ogs.ny.gov/iran-divestment-act-2012>

Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the state agency receive information that a person (as defined in State Finance Law § 165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

27. ADMISSIBILITY OF REPRODUCTION OF CONTRACT. Notwithstanding the best evidence rule or any other legal principle or rule of evidence to the contrary, the Contractor acknowledges and agrees that it waives any and all objections to the admissibility into evidence at any court proceeding or to the use at any examination before trial of an electronic reproduction of this contract, in the form approved by the State Comptroller, if such approval was required, regardless of whether the original of said contract is in existence.

APPENDIX A-1 SUPPLEMENTAL TITLE VI PROVISIONS (CIVIL RIGHTS ACT)

(To be included in all contracts)

During the performance of this contract, the contractor, for itself, its assignees and successors in interest (hereinafter referred to as the "contractor") agrees as follows:

- (1) Compliance with Regulations: The contractor shall comply with the Regulation relative to nondiscrimination in Federally assisted programs of the Department of Transportation of the United States, Title 49, Code of Federal Regulations, Part 21, and the Federal Highway Administration (hereinafter "FHWA") Title 23, Code of Federal Regulations, Part 200 as they may be amended from time to time, (hereinafter referred to as the Regulations), which are herein incorporated by reference and made a part of this contract.
- (2) Nondiscrimination: The Contractor, with regard to the work performed by it during the contract, shall not discriminate on the grounds of race, religion, age, color, sex, national origin, and/or disability/handicap in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The contractor shall not participate either directly or indirectly in the discrimination prohibited by 49 CFR, section 21.5 of the Regulations, including employment practices when the contract covers a program set forth in Appendix B of the Regulations.
- (3) Solicitations for Subcontractors, Including Procurements of Materials and Equipment: In all solicitations either by competitive bidding or negotiation made by the contractor for work to be performed under a subcontract, including procurements of materials or leases of equipment, each potential subcontractor or supplier shall be notified by the contractor of the contractor's obligations under this contract and the Regulations relative to nondiscrimination on the grounds of race, color, or national origin, sex, age, and disability/handicap.
- (4) Information and Reports: The contractor shall provide all information and reports required by the Regulations or directives issued pursuant thereto, and shall permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by NYSDOT or the FHWA to be pertinent to ascertain compliance with such Regulations, orders and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish this information the contractor shall so certify to NYSDOT's Office of Civil Rights or FHWA, as appropriate, and shall set forth what efforts it has made to obtain the information.
- (5) Sanctions for Noncompliance: In the event of the contractor's noncompliance with the nondiscrimination provisions of this contract, NYSDOT shall impose such contract sanctions as it or the FHWA may determine to be appropriate, including, but not limited to:
 - a) Withholding of payments to the contractor under the contract until the contractor complies; and/or
 - b) Cancellation, termination or suspension of the contract, in whole or in part.
- (6) Incorporation of Provisions: The contractor shall include the provisions of paragraphs (1) through (6) in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Regulations, or directives issued pursuant thereto.

The contractor shall take such action with respect to any subcontractor procurement as NYSDOT or the FHWA may direct as a means of enforcing such provisions including sanctions for non-compliance: Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or supplier as a result of such direction, the contractor may request NYSDOT to enter into such litigation to protect the interests of NYSDOT, and, in addition, the contractor may request the United States to enter into such litigation to protect the interests of the United States.
