Applications for league field use shall be submitted to the Recreation and Parks Director at least 30 days prior to field use, except that applications for tournaments and camps and similar uses shall be submitted at least 90 days prior to field use. Generally, games shall have priority over practice. The Parks and Recreation Department, in reviewing an application, shall take into consideration certain factors, including, but not limited to, wear and tear on the field; scheduling conflicts with other events; provision of sufficient parking for the event; and whether the event benefits the community.

C.Groups are categorized as follows:

(1)Group I: Recreation and Parks directly sponsored activities. These activities include programs run by the Recreation and Parks Department, such as day camps, after-school programs, day programs, special events and seasonal sporting activities.
