**RE: Hillside Commercial Park Site Plan - Proposed Building and Layout Changes  
E. Side of Route 304 @ Hillside Ave., Pearl River - Tax I.D. [68.11-3-39 & 40]**

We have received your Planning Board meeting package for the upcoming meeting scheduled to take place on January 14, 2015.

Based on the plans and information provided, Rockland County Highway Department finds that the changes on the property are more than 500 feet from any county road. The required action will have minimum foreseeable adverse impact upon any county road in the area. A Rockland County Highway Department Work Permit will not be required for the proposed development. Please call this office at (845) 638-5060 should you have any questions for the above.

Very truly yours,

Sonny Lin, P. E.
