Re: Horan – 619 Orangeburg Road, Pearl River
Variances for a Single Family Dwelling
Tax lot 69.18-1-86

Dear Ms. Arbolino:

In response to our letter of 7/6/20, it has been confirmed by the Town of Orangetown Department of Environmental Management and Engineering that the above reference property is connected to the public sewer. Our outstanding comment is as follows:

1. Should the Board require a stormwater management system to remediate the increase in impervious surface, application is to be made to the RCDOH for review of the system for compliance with the County Mosquito Code.

If you have any questions regarding this matter, do not hesitate to call.

Very truly yours,

Elizabeth Mello, P.E.
