A Message from the Supervisor

Dear Orangetown Resident:

Autumn in Orangetown is a beautiful and busy time of year. After relaxing during the warm, lazy days of summer, it's time to enjoy cooler weather, incredible foliage, and all our town has to offer. We are privileged to have hundreds of acres of parks within our borders; I hope you get to explore them and to take advantage of some of the wonderful programs run by our Parks and Recreation Department.

Under the leadership of Superintendent Aric Gorton, our Parks & Recreation Department offers myriad programs, activities, trips, and events to get you active and involved. Again this year, we'll sponsor the Joe Clarke Fun Run and the Santa Claus 5K Run, as well as pumpkin decorating, a costume parade, and Golf Under the Stars, just to name a few. Hiking, biking, tennis, basketball, soccer, baseball, softball, and many other opportunities abound to take advantage of fresh air, fall foliage, and from several vantage points, incredible views of the Hudson River Valley. And our Blue Hill and Broad Acres Golf Courses remain open, weather permitting, until the end of the year; Orangetown seniors are always entitled to reduced golf prices at these courses with a permit.

As I enter my remaining weeks as Orangetown Supervisor, I reflect on all we have done over the past six years to protect and enhance our parks and open spaces and to enrich the quality of our recreational programs. We worked with the State to extend the J.B. Clarke Rail Trail, used by scores of walkers and bikers daily. We transferred management of our golf courses to a private vendor, saving the Town hundreds of thousands of dollars. We've invested in upgrades to our parks and playgrounds. We've also secured several grants over the years to fund special projects, including \$145,000 from the Tappan Zee Bridge Community Benefits Fund for a new, much needed Showmobile! Moving forward, we've committed to further investing in upgrades to our parks and playgrounds and in the equipment and personnel to maintain them, thereby preserving some of Orangetown's most precious resources.

We hope you visit our beautiful parks and avail yourself of the many other recreational opportunities in the Town and Rockland County. It has truly been my privilege these past six years to work to ensure Town parks and open spaces remain vibrant assets for our community.

As always, feel free to contact the Parks & Recreation Department, or call or email me with your suggestions and comments.

JOSEPH B. CLARKE RAIL TRAIL UPDATE

The New York State Department of Transportation continues to make progress on the completion of the rail trail. We are expecting a ribbon cutting ceremony to take place in the Spring of 2018. Please check our website for more information as we get closer to the completion of the project.

Registration Policy

on-line/mail-in/walk in

Please take the time to read the information carefully so your registration is correctly processed. All mail-in registration forms require payment in full in order to be processed.

The Office of Recreation and Parks is beginning to make the switch over to on-line registration. If you registered with us in the summer of 2017, you will be receiving an email with your user name and password prior to the start of registration going live on-line. Those registrants that used the online system in the summer will use the same user name and password. First time registrants may contact the Office of Recreation and Parks to prove residency or will need to use the mail in or walk in procedure for this season in order to prove residency and set up a household # and then will receive an email such as the one listed above for the Fall season. If you do not see an on-line code listed with your program then it is mail in or walk in only. The non-resident registration policy will still be in effect for non-resident households that have used our program over the last 18 months as they will have a username and password but still may only register 5 business days prior to the start of the program. The registration website is parks.orangetown.com and will be active at 12:00am on Saturday, September 23rd. You may choose to mail in or walk in based on the registration dates for these programs as well.

Mail in registration must be postmarked September 23, 2017 or later. Mail received in this office postmarked prior to September 23rd will be returned by mail to the registrant. On-line registration will end 5 days prior to the start of a program unless a program has filled up to allow for program administration decisions. Mail in registration will continue until the start of the program unless a program fills. (Absolutely no in person registration will be accepted until Thursday, September 28, 2017. Walk-in registration is open weekdays 9:30am - 4:30pm at the Office of Recreation & Parks, located at 81 Hunt Road in Orangeburg until the start of the program unless a program is full. Exception: Tickets for Trips are available by in-person registration only. Please see description for further details.

All registrants are advised that many programs have limited availability and are accepted on a first come, first served basis. To better serve you, it is recommended that you register early to avoid being closed out of a class. Registrants will receive an e-mail notification upon acceptance into their program(s). Problem registrations or closed classes will be notified by phone. Refund Policy: Refunds will be considered only for medical purposes upon presentation of a physician's certificate, except in cases where a program is canceled by the Office of Recreation and Parks. Credits will be issued only prior to the start of a program. Credits or refunds will not be considered after the start of a program. Cancellations less than one week prior to the start of a program will be assessed a \$5.00 administration fee.

Non-Resident Policy

1. Non-resident registration will be accepted no earlier than 5 business days prior to the start of a program, provided there is availability.
2. Non-residents will be admitted on a restricted basis and only after Orangetown Residents have had sufficient time to register.
3. Not all programs allow for Non-Resident participation.
4. Non-Residents are required to pay an additional 25% of the program fee except when listed separately.

Programs, dates and times are subject to change. **All checks are made payable to the Town of Orangetown.** Make-ups are not guaranteed for classes canceled due to inclement weather or school activities.

Program cancellations will be listed at www.cancellations.com.

Cancellations and upcoming events will now be available by twitter. Follow us on twitter @ orangetownrec.

All programs held at the South Orangetown and Pearl River School District facilities will be canceled during vacation periods and school holidays. **School district programs will take precedence over regularly scheduled Orangetown Parks and Recreation programs.**

The Town of Orangetown, Orangeburg, New York, advises the public, employees and job applicants that it does not discriminate on the basis of handicapped status in admission or access to, or treatment of employment in, its programs and activities.

26th ANNUAL PUMPKIN DECORATING AND COSTUME PARADE

A Halloween event for boys and girls ages 3 to 10 years old. You bring the pumpkin and the Town of Orangetown will provide the decorating materials for all registrants. Some of the events will include a costume parade, cartoon character visits and more! Registration will be held on site the day of the event.

Let's Get Started

Getting Ready for Youth Sports Programs

Children ages 4 & 5 and their parent(s) will work collaboratively in a supervised setting to develop the skills considered basic to formal participation in sports: catching, throwing, kicking and batting. This program will provide an opportunity for the parent(s) to participate with their child in activities carefully designed to enhance development of perceptual-motor skills which are important stepping stones to involvement in many types of organized athletic programs. Training activities will be presented in a developmentally sequential manner such that participants will be required to master each of the four skills at easier performance levels before attempting more difficult ones. This approach is designed to maximize opportunities to achieve success and contribute to development of confidence and enjoyment of athletic involvement. **This program is for first time participants only and has limited enrollment.**

COMIC BOOK SCHOOL

Want to see how comics are made? This introduction to comic book creation will give a hands-on experience at how it's done. Each day you will learn about the different stages of creating a comic, and see exactly how the big Super Hero comics are made. You will get to come up with your own original story with the help of a professional comic book editor and writer. Each new comic creator will develop their own story and learn how to take it from an idea to reality. The course will cover how to write a story, the creation of characters, and even some drawing tips. The advanced beginner class will build off of the lessons already learned in previous sessions.

ORANGETOWN WALKING CLUB

As we age, muscles become shorter and lose their elasticity. Stretching and walking is an excellent way to relax and relieve tension. It becomes very important for adults and seniors to maintain range of motion and the ability to move all joints normally during your daily activities. This class will include static and dynamic stretching for all levels of fitness. This program will also allow for use of the ½ mile track around the complex that will include light aerobic and additional stretching exercises. This class will be lead by fitness enthusiast Bob Hudson. Participants should bring their own exercise mat. This class will meet from time to time at other exercise sites such as the Joe Clarke Rail Trail to introduce students to other venues in town. A schedule will be handed out at the first class. **Wednesday October 25th will be a "free look" day where registrants or possible registrants can attend free of charge to learn more about the class.**

ORANGETOWN OFFICE OF EMERGENCY MANAGEMENT

The Orangetown Office of Emergency Management was formed in 2011 and is comprised of members of each Town of Orangetown Department, Town Board Members as well as local EMS and Fire Volunteers. The OEM mission is to maintain a high level of planning and preparedness, to protect the citizens of Orangetown, to reduce loss of life, protect important assets and reduce any disruption or destruction to local commerce and institutions.

The OEM is requesting that all Orangetown households be prepared and informed by signing up for the free of charge NY-ALERT Notification System. The NY-ALERT system is a web based program that allows State agencies and county & local governments to provide emergency alerting information and private notifications to a defined audience. You can receive emergency information such as major road closures and weather events at home, work or on the go. Registering only takes a few minutes and you can choose the way you receive information: via e-mail, telephone, text message or fax as well as other options. Register now at www.nyalert.gov If you do not have access to the worldwide web, you may still sign up for NY-ALERT by calling 1-888-697-6972. The OEM wants all residents to be aware of the program ROCKLAND COUNTY SPECIAL NEEDS REGISTRY. This program allows special needs residents to get the help they need in an emergency. This registry is a central information source providing vital details on special needs residents to first responders during emergencies. Why should you register for the Special Needs Registry To receive individual notification when an evacuation has been ordered To alert local emergency personnel of your individual considerations To allow emergency responders an opportunity to plan and be prepared If you, a member of your family, neighbor or friend qualify for this program please help us get the word out. The more Orangetown residents with special needs registered means more effective response for police, fire and EMS during an emergency. To register visit www.rocklandregisters.com or call Info-Rock at (845) 364-2020 for assistance.
