# *A Message from the Supervisor*

As summer winds down, we now turn our attention to the fall season ahead. With Covid-19 still affecting our daily lives, the Town of Orangetown Parks and Recreation Department continues to work hard to keep our parks and other outdoor amenities safe for everyone to enjoy. There is truly no better place to get out and enjoy the foliage than from one of the many trails within Orangetown's extensive network of State, County, and Town parks here in the Lower Hudson Valley. We continue to thank the Parks Department for their continued focus on and commitment to offering excellent programs and to maintaining the natural beauty of our parks and recreational resources to enrich the quality of our life here in Orangetown.

From a variety of well-organized sporting programs to recreational classes, Orangetown provides a wide selection of fun family-oriented activities for children, adults, and senior citizens of all abilities. Our staff's mission is to deliver quality, affordable programming within a safe environment to meet the needs of an ever-growing and changing community. I encourage all residents to look through the Fall Brochure to find an activity that meets their interests.

As always, we invite you to participate in and take advantage of the many recreational opportunities that Orangetown has to offer this season!

Sincerely,

**Teresa M. Kenny**  
Town Supervisor
