POSTMASTER: DATED MATERIAL

A Message from the Supervisor

Dear Residents:

With spring upon us, those of us living in Orangetown are fortunate to have an extensive network of State, County, and Town parks. There are hundreds of acres and numerous trails and activities for your recreational use throughout the lower Hudson Valley.

I want to thank the entire Parks and Recreation Department for their continued commitment to offering quality public programs and services, all the while maintaining the natural beauty of our parks and recreational resources which enhance the quality of life here in Orangetown.

From a variety of well-organized trips and sporting programs to recreational classes, Orangetown provides a wide selection of fun family-oriented activities for children, adults, and senior citizens of all fitness levels alike. As always, our town's mission is to continuously strive to deliver quality, affordable programming within a safe environment to meet the needs of an ever-growing and changing community. I encourage all residents to look through the Spring Brochure to find an activity that meets their needs or interests.

As we move forward, the Town Board and I are committed to expanding the recreational options for residents – we already have a lot of park space, but we want more for you to enjoy, such as a community center and upgraded playgrounds. Those combined efforts will ensure that the recreational experience here in town is always improving.

So get out there and enjoy!

Sincerely,

Teresa Kenny
Town Supervisor
