A Message from the Supervisor

With the winter season officially in the rearview mirror, summer is a great time to truly enjoy in Orangetown's extensive network of State, County, and Town parks here in the Lower Hudson Valley. We have hundreds of acres and numerous trails and other attractions and activities for your recreational use.

I want to thank the entire Parks and Recreation Department for their continued focus upon and commitment to offering quality public programs and services, all the while maintaining the natural beauty of our parks and recreational resources which enhance the quality of life here in Orangetown.

From a variety of well-organized trips and sporting programs to recreational classes, Orangetown provides a wide selection of fun family-oriented activities for all children, adults, and senior citizens of all fitness levels alike. As always, our staff's mission is to continuously strive to deliver quality yet affordable programming within a safe environment to meet the needs of an ever-growing and changing community. I encourage all residents to look through the Summer Brochure to find an activity that meets their needs or interests.

In addition to offering the variety of quality programs listed within this brochure, we are also looking forward to the enhancement of our Summer Concert Series and the expansion of our special events calendar, working with local Chambers of Commerce and community organizations to bring more and better things to do here in town. In the longer run, we will continue to focus on expanding our recreational options for residents – we already have a lot of park space, but we want more park assets for you to enjoy, be it a community center, a dog park, a sprinkle park, or all of the above. Those combined efforts will ensure that the recreational experience here in town is always improving.

So get out there and enjoy!

Sincerely,

Chris Day

Registration Policy

on line / mail-in / walk in

Please take the time to read the information carefully so your registration is correctly processed. All mail in registration forms require payment in full in order to be processed.

The Office of Recreation and Parks has now completed the transition to on-line registration. As of this brochure all programs will be available for on-line registration except Orangetown Day Camp, Teen Camp, Trips Program and Family & Adult Swim Passes. On site registration will be required for these programs. If you registered with us in the fall of 2017, or the winter/spring 2018 you should already have your user name and password. This office will be sending out a reminder to all registrants from 2018 prior to the on-line registration window opening. First time registrants may contact the Office of Recreation and Parks to prove residency or will need to use the mail in or walk in procedure for this season in order to prove residency and set up a household # and then will receive an email such as the one listed above for the Summer season. The non-resident registration policy will still be in effect for non-resident households that have used our program over the last 18 months as they will have a user name and password but still may only register 7 business days prior to the start of the program. The registration website is parks.orangetown.com and will be active at 12:00am on Sunday, June 3rd. For those residents choosing to use the mail in or walk in options, please read below.

Mail in registration must be postmarked June 4, 2018 or later. Mail received in this office postmarked prior to June 4, 2018 will be returned by mail to the registrant. Mail in registration will continue until Thursday, June 7, 2018. (ABSOLUTELY NO IN PERSON REGISTRATION WILL BE ACCEPTED DURING THIS TIME.) Beginning Monday, June 11, 2018, in person registration will be accepted, weekdays 9:30am - 4:30pm, along with continued mail-in registration, at the Office of Recreation and Parks, located at 81 Hunt Rd. in Orangeburg until the start of the program.

All registrants are advised that many programs have limited availability and registration is accepted on a first come first served basis. To better serve you, it is recommended that you use the on-line system or return your completed registration form (opposite side of this page) in a timely manner in accordance with the above mail-in policy. Phone calls will be made to those mail in registrants with conflicts as soon as possible. *If you do not receive a phone call from this office your registration has been accepted.* Registration for closed classes will be kept on file, registrants will be notified, and payment returned.

Refund Policy: Refunds will be considered only for medical purposes upon presentation of a physician's certificate, except in cases where a program is canceled by the Office of Recreation and Parks. Credits will be issued only prior to the start of a program. Credits or refunds will not be considered after the start of the program. Cancellations less than 5 business days prior to the start of a program will be assessed a \$5.00 administrative fee.

NON-RESIDENT POLICY

1. Non-resident registration will be accepted no earlier than 7 business days prior to the start of a program, provided there is availability.
2. Non-residents will be admitted on a restricted basis and only after Orangetown residents have had sufficient time to register.
3. Not all programs allow for Non-Resident participation.
4. Non-Residents are required to pay an additional 25% of the program fee.

Programs, dates and times are subject to change. All checks are made payable to the Town of Orangetown and must show an Orangetown Residence. Checks listing a Non-Orangetown address will not be accepted.

Refunds and or make-ups are not guaranteed for classes canceled due to inclement weather or school activities.

Program cancellations will be listed at www.cancellations.com Make-ups and class information will be e-mailed to households as necessary and phone calls will not be made. Please make sure you provide an e-mail address that is checked regularly and make parksoffice@orangetown.com a safe sender.

All programs held at the South Orangetown and Pearl River School District facilities will be canceled during vacation periods and school holidays. **School district programs will take precedence over regularly scheduled Orangetown Parks and Recreation programs.**

The Town of Orangetown, Orangeburg, New York, advises the public, employees and job applicants that it does not discriminate on the basis of handicapped status in admission or access to, or treatment or employment in, its programs and activities.

Cancellations, upcoming events, information and program announcements are now available on Twitter or on Facebook. Follow us on twitter @ orangetownrec. or friend us on Facebook.

Family Movie Night & Children's Concert

The Orangetown Parks and Recreation Office will sponsor the twentieth Annual "Movie Night in the Park" at Veteran's Memorial Park in Orangeburg. Returning to the program this year will be The Bossy Frog Band. The Bossy Frog Band's performances are high energy, banjo driven, costume character dancing fun! The Bossy Frog Band has performed for over 100,000 children and families and their most recent album, "15 Songs Every Kid Should Know (and will Love!)" won a Parents' Choice award. On Friday July 27, 2018, Big Wave International will be setting up a 20 ft by 24 ft movie screen, a giant video projection system with stereo surround sound for a return to the 60's and 70's when drive-in movies were popular. The night will also include Jumpy Castles provided by Bouncin Around Town of Blauvelt as well as face painting, balloon animals and more. Residents will be able to bring lawn chairs, blankets, and picnic baskets to enjoy a summer evening in front of the big screen. This program is free and open to all residents of Orangetown.

GONE FISHING!

Orangetown Recreation in conjunction with Rockland legend, Skip Storch, owner of Shu-Fly in Nanuet will provide a one day – two hour clinic. Did you know that Veteran’s Memorial Park has two fishing ponds and the Pascack Brook and Sparkill Creek run through 2 of our satellite parks? Join us to learn the ins and outs of fishing the correct way. The program will provide for children to learn to fish safely, to recognize certain species of fish and how to leave the environment just the way you found it. Each registrant will be able to take home a fishing pole, reel and fishing line at the end of the program. **A parent/guardian is required to stay with each child. Ages 5 to 12**

Program Code: 114012-01 Fee: \$25.00 per registrant Saturday, June 23, 2018
Veteran’s Memorial Park (Rain Date – Sunday, June 24th)
9:30am – 11:30am

SKYHAWKS SPORTS CAMP SAMPLER

This one day event will give your child a solid introduction to try multiple sports in one setting. This is a great opportunity for your child to check out a sport for the first time or learn some new skills associated with a sport they are already familiar with. We will showcase four different sport stations - soccer, baseball, basketball and flag football - for your child to rotate through during the day. Please send your child with a water bottle! In case of rain this program will move indoors. **Boys and Girls ages 5 to 11 (age groups will be separated accordingly)**

Program Code: 110111-04 Fee: \$35.00 Saturday, June 16, 2018
Veteran’s Memorial Park Soccer Fields 9:00am – 12:00pm

Skyhawks Sports Camps

Skyhawks programs are designed to engage the imagination of young athletes. Skyhawks participants improve their skills through encouragement and non-competitive play.

MINI HAWK CAMP

This multi-sport program was developed to give children a positive first step into athletics. The essentials of baseball, basketball and soccer are taught in a safe, structured environment with lots of encouragement and a big focus on fun. Our Mini-Hawk games and activities were designed to allow campers to explore balance, movement, hand/eye coordination, and skill development at their own pace. Skyhawks staff are trained to handle the specific needs of young athletes. **Grades: Kindergarten, 1st & 2nd**

Program Code: 121501-01 Fee: \$80.00 June 25 – June 29, 2018
Veteran’s Memorial Park 9:00am – 12:00pm

MULTI-SPORT CAMP (SOCCER, BASEBALL & BASKETBALL)

Designed for the all-around player who wants to play all sports or for the beginning player who wants to try all three. Participants should bring a non-refrigerated snack and water bottle. **Grades: 3rd, 4th & 5th**

Program Code: 121501-02
Veteran's Memorial Park

Fee: \$80.00

June 25 – June 29, 2018
9:00am – 12:00pm

TENNIS CAMP

Summer sports camps for Orangetown residents will be held at Veteran's Memorial Park. Each camp will provide a competitive yet fun atmosphere. Participants will receive a free camp T-Shirt. Children must provide their own lunch. Friday, June 29 will be used as a rain day if necessary. **Boys & Girls Grades 4th to 9th**

Veteran's Memorial Park
Program Code: 120101-01

Fee: \$175.00

June 25 – June 28, 2018
9:00am – 1:00pm

This camp will be conducted by the All Pro Tennis of Bergen County.

Mini-Sports Camp

The fundamentals of each sport will be taught by Skyhawks Sports Camps. Sports camps for children grades Kindergarten to 5th grade will be held at the Veteran's Memorial Park in Orangeburg. These programs will emphasize the basic skills and fundamentals of each of the following sports: baseball/softball, basketball and soccer.

The mini-hawk sport camps will be for children entering kindergarten, 1st and 2nd grades only and will be an introductory program for young children that will explore multiple sports in a fun setting. In order to participate, children must be entering the appropriate grade as of September 2018.

Veteran's Memorial Park

9:00 AM – 12:00 Noon
Monday through Friday

Starting New at Golf

Skyhawks Golf focuses on building the confidence of young athletes by teaching proper technique to refine essential skills of the game. Golf is a challenging and lifelong sport, so young athletes need proper focus on the fundamentals of form, swinging, putting, and body positioning. To assist in this training, Skyhawks has adopted the SNAG (Starting New At Golf) system to its curriculum. SNAG utilizes a set of equipment designed for beginning golfers, including oversized plastic club heads and "mini tennis balls" to help build confidence and to have fun. Developed by PGA professionals, SNAG is specifically designed for the entry-level player; SNAG simplifies instruction so that young players can make an easy and effective transition onto the golf course. No need to bring your own clubs--all equipment is provided. We keep the instructor-to-camper ratio low, resulting in limited availability. These programs fill up quickly.

Mini-Hawk

This multi-sport program was developed to give children a positive first step into athletics. The essentials of baseball, basketball and soccer are taught in a safe, structured environment with lots of encouragement and a big focus on fun. Our Mini-Hawk games and activities were designed to allow campers to explore balance, movement, hand/eye coordination, and skill development at their own pace. Skyhawks staff are trained to handle the specific needs of young athletes.

Multi-Sport

Our multi-sport camp is designed to introduce young athletes to a variety of different sports in one setting. For this program we combine soccer, baseball/softball, basketball, flag football, capture the flag and ultimate frisbee into one fun-filled week. Athletes will learn the rules and essentials of each sport through skill-based games and scrimmages. By the end of the week, your child will walk away with knowledge of multiple sports along with vital life lessons such as respect, teamwork, and self-discipline.

MAD SCIENCE AND CRAYOLA: IMAGINE ARTS ACADEMY SUMMER 2018 TOPICS

NATURE ADVENTURE

Explore the natural world and the adaptations that allow birds and beasts to thrive. There is a new and different fun take-home project each day. Make plaster casts of animal tracks. Learn how animals protect themselves: survive icy cold like a polar bear and dissect oysters to see how they resist an annoying itch. Build a bird feeder and mix your own seed blend to attract specific bird species. Make recycled paper. Tie-dye t-shirts with vegetable dyes. Test water for pollution, and then build a water filter to remove anything nasty. Construct a bug house for observing real, live bugs. Study the feeding habits of owls and look at the animal bones they leave behind. Learn about geology by growing your own crystal garden and breaking open your own geode. And pan for spectacular gems and minerals that can be found in the Hudson Valley.

Appropriate for students entering grades 1-5

NASA: JOURNEY INTO OUTER SPACE

Kids start in the Earth's atmosphere and end up in the stars in this super sampler of space science. This voyage of discovery will explore planets, moons, comets, and other phenomena in our solar system. Come investigate our sun, and other stars and the galaxies they form. Build a Mad Science rocket and then design, build and launch your own version. Learn about the challenges of living in space and undergo astronaut training. Work with lenses and build a telescope. Discover technologies developed for use in outer space while navigating a laser maze. Campers will have lots of projects to make and take home including two rockets, space copter, meteorological station, star chart, and a telescope. Material developed by Mad Science in partnership with NASA.

Appropriate for students entering grades 1-5

RADICAL ROBOTS NEW ROBOT!

Are you ready to take over the world with your cunning creations (Mwah Ha Ha Ha Ha!), or would you like to design machines that can save the planet? Start here and train with other future roboticists. Explore the basic and complex technology used to design and build robots. Discover how machines and robots work and how they make our lives easier. Learn about simple machines, gear structure, gear ratios, battery wiring, motor principles, and electronic circuits. Experiment with different forms of locomotion, including wheels, legs, and "tracks" and even wind powered walking creatures. Campers will spend time each day building a robot that they take home at the end of the week. Groups will be separated into different age groups.

Appropriate for students entering grades 2-6

SECRET AGENT LAB

Calling all agents! This camp is part forensics and part “spy science”. Step into the shoes of a detective—uncover the science involved in evidence gathering and analysis. Students will create, collect, and analyze evidence and discover what skills are necessary as a crime scene lab technician. They examine clues and get hot on the trail of a culprit, and then connect the dots using science to help solve a crime in a hands-on investigation. From edible messages and decoding clues, students will have the opportunity to check out some of the skills that spies must master as they journey into the world of espionage. Take home projects include an ultraviolet Fingerprint Finder kit, Spyglasses that let you secretly watch people who are behind you, Spy-noculars, a Secret Code Breaker, and an Inspecti-kit for evidence collection.

Appropriate for students entering grades 1-5

The most frequent reaction to the chemistry demonstrations in this camp is “Wow!” – one simple word with great experiences behind it. During this action-packed camp kids explore chemistry in a playful, safe manner. With spectacular hands-on activities and amazing demonstrations, kids will both learn and apply the concepts, tools and techniques of real chemists. Campers will start by learning real lab techniques and safety procedures, and then use these to mix crazy concoctions and chemical combos. They will experiment with super-sticky-stuff, explore glow-in-the-dark technology, mix potions, and grow crystals! Students will learn the real chemistry behind slime and make several different types. Each camper will take home a full set of Mad Science lab gear that includes a graduated cylinder, a beaker, a flask, an experiment tube, pH paper, a thermo-color cup, and more!

Appropriate for students entering grades 2-6

CRAYOLA IMAGINE ARTS ACADEMY...ART WITH A PURPOSE WORLD OF DESIGN CAMP (NEW!)

S.T.E.M. + ART = S.T.E.A.M.

Mad Science has partnered with Crayola to add the “A” to an existing library of science, technology, engineering, and math programs. Campers use the design thinking process to solve real-world problems through different design challenges. Each camp day focuses on a specific field of design, and our young architects, illustrators, fashion designers and graphic designers develop their ideas from concept, to sketch, to finished product. They bring their concepts to life by experimenting with Crayola® products, and exploring art techniques like sculpting, storyboarding, mixed media, and collage. Combining art, design, fun active games and inspiring themes from around the world, this camp is designed to inspire!

Appropriate for students entering grades 1-5

FRONTIER TRAVEL PROGRAM

The Frontier Travel Program (FTP) will be offered again for a second year by the Orangetown Recreation Department offering a daily trip option the week of August 6th. This everyday travel activity that has one exception, if it rains, there will be NO PROGRAM for that day only. This program is a sunshine only activity for children seeking a week of exciting experiences with supervision guided by recreational staff. The trips will depart and return from Veteran's Memorial Park. In order for these trips to run a minimum of 25 students must register and each trip will have a limit. This program is open to children entering grades 4th to 9th.
