Subject: CANDLE

Good afternoon gentlemen--

I am writing to request your consideration of a modest increase in CANDLE's funding for the remainder of the 2016 school year. Currently we are providing two afternoons of service at the Tappan Zee Center (down from 3 since our funds were cut three years ago). As you well know, this has been a difficult year for the Orangetown community, with the sudden death of a student and a teacher. After both of these incidents, CANDLE was called to offer support services to community residents. We did not hesitate to make ourselves available immediately. (see attached thank you note.)

Recently the CANDLE Center staff have reported an increasing demand for their time and have had to develop a waiting list. (This is never a good idea when young people express a need to speak with someone.) With 17 weeks of school remaining in the school year, we could add one additional day of service at the CANDLE Center at a cost of \$4650. Also, the needs at the Nyack Center are enormous and we have already added an additional hours there.

I respectfully ask your consideration of this request. I believe you will agree that it is a very modest cost for a program that has effectively served hundreds of Orangetown residents. I've attached a copy of our 2015 summary statistics for your review.

I look forward to hearing from you.

Sincerely,

Joanne

PS. I would appreciate your help in processing our 2016 contract. It is now nearly March and we have no contract and no funding from Orangetown, though we have provided services since January 1.

Dear Supervisor Stewart, Charlotte, Chief Nulty, Sgt Sullivan, Superintendent Dean, Helen, Aric,

Thank you for your support of Gran Fondo New York over the past five years. GFNY has held five successful annual editions of the race that received praise not only from locals, but also from people around the world. Without your support and the close collaboration with a multitude of local agencies, the event would not be possible.

Gran Fondo New York has now become an international series of events, with the Gran Fondo New York race in NY/NJ serving as the global Championship race. The event continues to grow and will attract 5000 cyclists from over 70 countries on May 15, 2016 to challenge themselves over 100 miles from NYC to Bear Mountain to Fort Lee.

New for the race's 2016 edition is a new charity program, focusing solely on local non-profit organizations as beneficiaries of GFNY's participant fundraising efforts. We are working with More Than Sport as the fundraising platform for GFNY's local charitable causes. Organizations include Keep Rockland Beautiful, all local EMS Corps, and we're looking to add more local organizations over the coming months. If you have recommendations for us, please let us know.

The challenging 100-mile route for May 15, 2016 will be largely the same as in 2015: from GWB to Bear Mountain to Fort Lee along the most unique cycling course in the world. The fastest man and woman will win high-end road bikes. However, many athletes will be simply participating for a personal challenge to do their best or even just finish within the cutoff time. There will also be hundreds of people raising money for various local NY/NJ causes via More Than Sport.

As in the past four years, we will pay the related police overtime fees to cover the expenses of the event. We also make donations to all the local Volunteer Ambulance Corps who assist with the event.

As part of the organizational and permit process, we are working with PANYNJ, NJ DOT, NYS DOT, Palisades Interstate Park Commission, Harriman State Park, Rockland County, Fort Lee, Englewood Cliffs, Edgewater, Alpine, every town in Rockland County: Orangetown, Clarkstown, Haverstraw, Ramapo and Stony Point and many Rockland County Villages.

We will provide the Town of Orangetown with a Certificate of Insurance in February 2016.

Orangetown Police at GFNY

Gran Fondo New York requests assistance from Orangetown Police to control traffic to enable the cyclists to ride on a traffic-moderated course for May 15, 2016. We plan a similar route to GFNY 2015 and we will be coordinating the route and logistics details with Sergeant Sullivan and Officer Johnson.

Route Marking

GFNY crew will begin marking the route of GFNY starting Monday, May 2, 2015. Signs will include temporary road marking for turns, signs at eye level that mark turns or caution, mile markers (every 20 miles), aid station signs, water-based paint road markings and some sponsored fence signs where permitted. As in the past years, all signs will be posted in areas that do not affect visibility of the roads/intersections/traffic. All signs will be removed by Monday, May 16, 2016.

Background About the Event

- **MEDIA:** Cyclists from all over the world attend the event and it receives global media coverage from 23 cycling magazines in 14 languages. National tv, newspaper and magazine media cover the event.
- **COURSE:** The event starts on the George Washington Bridge, travels along Route 9W and up to Bear Mountain, the featured climb of the event. The event finishes on Hudson Terrace in Fort Lee, NJ. The event showcases the George Washington Bridge, charming towns in NY/NJ and beautiful nature.
- **HEALTH BENEFITS:** Gran Fondo New York promotes and reinforces healthy lifestyles for the participants and spectators. Holding participatory events such as this encourages people to set goals, get in shape and experience the great outdoors.
- **CHARITY:** GFNY participants who choose to fundraise to benefit from a front-starting position, raise funds into a GFNY charity pool via the More Than Sport fundraising platform. All charities that are beneficiaries of GFNY are local organizations and non-profits based in NY/NJ along the GFNY route.
- **ECONOMIC IMPACT:** GFNY holds free weekly group rides for registered participants to prepare for the event utilizing the GFNY route and supporting local bakeries, coffee shops, bike shops and other local businesses. For race day, we source local products and services from area businesses.

Conclusion

Please let me know if we can answer additional questions pertaining to the event. I can be reached at 212-933-4033 or at info@gfny.com. The event's website is www.gfny.com. I look forward to working with you in organizing a safe and successful event.

Carol E. Fleischmann Obituary

Fleischmann, Carol E.

Carol E. Fleischmann, 73, of Piermont, NY, died peacefully at home after a battle with cancer on Monday, February 8th, 2016, surrounded by her family. Carol was born in 1942 in New Haven, CT to Maurice Fleischmann and Charlotte (nee Kaufman), the oldest of three daughters. She was a beloved mother, grandmother, great grandmother, sister and wife, entrepreneur and community leader.

Carol moved to Nyack in 1989. She loved the people and adored all that the river community had to offer. Through the years, she served as President of the Nyack Chamber of Commerce, on the Board of Friends of Nyack, and the REDC (Rockland Economic Development Corporation). Carol led the effort to renew Main Street in downtown Nyack by serving as Chair of the Streetscape Committee for 8 years.

In addition to her community, Carol was passionate about several causes. Her parents gave her the middle name Eleanor, and like her namesake, Eleanor Roosevelt, Carol was a champion of the women's movement. She was a lifetime supporter of NOW, founder of the Partnership Of Women Entrepreneurs, and she served on the board of Nyack Planned Parenthood. She was politically active with both the Democratic National Committee and the Jewish Veterans of War. Carol felt that creatures of all kinds needed a defender, and was on the Board of Directors for the international non-profit group, Friends of Animals, an organization devoted to freeing animals from cruelty and exploitation.

Carol maintained a private psychotherapy practice for over 40 years. She cared deeply about enriching the lives of the people in her community and the world. She is widely known for her cheerfulness, generosity and kind heart.

Carol is survived by her husband, Larry, her sisters, Laura and Roberta, her children, Tracey, Caarin and Greg, and her grandchildren Jasper, Charlotta, Harley, Matthew, Christopher, Phillip, Melanie, Billy, and Luke.

A funeral will be held at Rockland Cemetery, 201 Kings Highway, Sparkill, NY 10976 on Friday, February 12th at 11am.

In lieu of flowers, donations in the name of Carol Fleischmann may be made to Friends of Animals, 777 Post Road, Suite 205, Darlen, CT 06820.
