Edwin J. Day
Rockland County Executive

Honorable Chris Day
Town of Orangetown
26 Orangeburg Road
Orangeburg, New York 10962

Dear Supervisor Day:

The Rockland County Department of Health contends that coordination with local municipalities is an essential component to assuring the preservation of the environment and the public health of the residents. The Health Department respectfully submits that municipal expertise often plays a critical role in fully addressing building, land, water, sewage and nuisance concerns throughout the county.

The Health Department recognizes that county regulations may vary or even conflict with municipal codes and that jurisdictional issues exist, which evidence the need for a coordinated approach. Well intentioned applicants looking to comply with all rules and regulations need to know a simple inquiry to the Department of Health will ensure a complete understanding of those rules and procedures and quite possibly prevent unnecessary, and expensive, corrective action later.

The Department's Center for Environmental Health and the Rockland Codes Initiative (RCI) welcomes the inquiries of municipalities and applicants to lend assistance in the pursuit of compliance with all local, county, state and federal laws.

Please feel free to contact the Health Department to discuss any questions, concerns or possible referrals.
