Re: Performance Standards—UPS Last Mile Facility—800 Bradley Hill Road

Eamon, the plans submitted do not clearly depict sanitary connections for the building. Want to make sure where floor drains may be located, if any chemical storage will occur, and ensure that the loading docks do not have any storm drains that could allow for Inflow of storm water to the sanitary system.

800 Bradley Hill Road, Blauvelt
Tax Lot 89/65.18-1-3 (formerly 45-101-841.14/1)

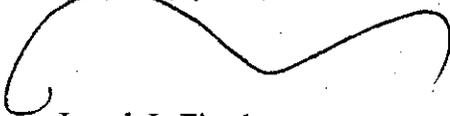

Dear Ms. Arbolino:

Our office has received and reviewed a site plan that was last revised on October 30, 2020, which SESI Consulting Engineers prepared for the above referenced project. We thank you for the opportunity to comment on this application. Our comments are as follows:

1. Rockland County Sewer District No. 1 does not object to the plan as shown. This project does not affect any sanitary sewers within the District. We request no future correspondence for this site.

Please inform us if any developments in this project change to affect the District. If you have any questions, please contact this office at 845-365-6111.

Very truly yours,

Joseph LaFiandra
